The Kauluwehi Lei Workshop, located at Ka'ohe Restoration Area, Mauna Kea will feature *wili* and *kui* traditional lei styles, sustainable picking practices, native lei plant ID, and a guided tour through palila habitat led by Mauna Kea Forest Restoration Project's Jackson Bauer. Lei will be composed with native plants found in this unique ecosystem. Join us for a fun day of lei making and a opportunity to see Mauna Kea's favorite feathery resident, the palila.

Proudly Hosted By:
