

# Attention Harbor Tenants

If you are required to carry **insurance** as a condition of a permit issued by DOBOR, please make sure the mailing address for DOBOR is the same mailing address as the harbor where your vessel is moored or where you are a commercial tenant.

If your insurance documents must be delivered to the DOBOR Admin Office, please remember that this office relocated to 4 Sand Island Access Road, Honolulu 96819 as of February of this year. If the address of the old DOBOR Admin Office (Queen Street) is still on record with your insurance company for any reason, your policy updates will not be routed properly.

**Please update your insurance policies at your earliest convenience.**
