

Application Instructions for the
2014 Hilo Restricted Watershed Special Access Feral Cattle Control Program Extension

1. The 2014 Hilo Restricted Watershed Special Access Feral Cattle Control Program will be extended for thirteen (13) additional Saturdays beginning on 5 April 2014 and running through 28 June 2014 as follows: April 5, 12, 19, 26; May 3, 10, 17, 24, 31; and June 7, 14, 21, and 28. To prevent overcrowded hunting conditions, a new lottery drawing will be held to assign hunter groups to each of these Saturdays. This drawing will assign the order for all valid applications received by the deadline (see below). If/When additional hunt dates become available, this applicant list will be used to assign/offer those additional hunt dates in their respective order.
2. Additional applications will be accepted after the drawing deadline. Applications received after the drawing deadline will be added to the bottom of the application list produced through the lottery on a first-come, first-serve basis. This extended list will be used to assign hunt dates if/when they become available beyond 28 June 2014.
3. A minimum of **five (5)** and a maximum of **ten (10)** licensed hunters may apply together as a hunting group (no exceptions). **All hunters of each hunting group must be entered on a single application form.** (Please see the reverse side). Do not staple other application forms together. Licensed hunters under the age of 16 must be included in a group with an adult hunter holding a valid Hawaii Hunting license. A hunter **may not** be entered on more than one application.
4. In the case of duplicate hunter submissions, the **first** application received will be entered into the lottery to assign hunting date(s)/area(s). The individual hunter will then be removed from all subsequent applications.
5. Be sure to **PRINT all information** clearly in the spaces provided for **each** hunter. The correct **2014 Hawaii Hunting License number is required for each** hunter on the application form. A day-time contact **phone number and email address** is required for the **Primary Hunter**. Please also include a day-time contact phone number for each hunter. If the hunt is extended beyond 28 June 2014, then a valid 2015 Hawaii Hunting License number will be required for each hunter at the time of calling in to confirm acceptance of an awarded hunt.
6. The **DEADLINE** for all applications to be submitted for the drawing is **3:30pm on Thursday, March 13, 2014**. Applications may be hand-delivered to the **Division of Forestry and Wildlife Office, 19 E. Kawili Street, Hilo, HI 96720** or postmarked by that date by the U.S. Postal Service.
