

Below are the results of the lottery drawing for the EXTENSION of the 2014 Pu`u `O`o Feral Cattle Control with Special Access. Results are listed by Applicant Group Number. This unique ID number was assigned to each valid application received by the 13 March 2014 deadline. Each Primary Hunter was informed of the Applicant Group Number by phone and email. If you need assistance finding this number, please contact the Primary Hunter for your group or call the East Hawaii Division of Forestry and Wildlife office at (808)974-4221.

The first thirteen (13) Applicant Groups listed were awarded the available hunt dates as shown. The remainder of the list shows the order of all applications as determined through the same lottery drawing. These Applicant Groups will be offered additional hunts if and when they become available, or when a selected group declines their hunt date. When additional hunts do become available, the next Applicant Group on the list will be notified by phone and email through the Primary Hunter only.

A member of each selected hunter group must call to confirm acceptance of their hunt during the week prior to their hunt, but NO LATER THAN the Wednesday preceding their Saturday hunt date. Please call the East Hawaii Division of Forestry and Wildlife at (808)974-4221 to confirm.

Selected hunter groups will be permitted to add additional licensed hunters and/or replace group members when they call to confirm acceptance of their hunt date. Each individual hunter may only participate in ONE hunt date during this extension period (those hunters who participated in any hunts during the previous lottery from 16 November 2013 through 29 March 2014 **ARE** allowed to participate in ONE hunt during this extension period). A maximum of TEN (10) licensed hunters is allowed per Saturday. Please limit additions/changes and confirmation to a single phone call.
