PUBLIC MEETING NOTICE

Hawaii Department of Land and Natural Resources
Division of Forestry and Wildlife, Conference Room 325

Thursday, December 3, 2015
10am-12pm

Public Outreach Working Group of the Hawai'i Invasive Species Council

Draft Agenda (subject to revision)

1. Call to order
2. Introductions
 - 2.1. In person:
 - 2.2. On conference call/WebEx:
3. Approval of prior meeting minutes
4. Status of Action Items from prior meeting
 - 4.1. Action: Randy Bartlett to compile FY15 & FY16 PO Projects metrics/deliverables to Chair; Christy Martin for POWG review.
 - 4.2. Action: Evelyn Wight is looking for additional partners or ideas. Contact Evelyn at ewight@tnc.org: Send her an email if you want to participate in the working groups. She has a revised brochure, and the final product should come out soon.
 - 4.3. Action: Josh Atwood set up a password protected page on the HISC website for file hosting amongst the working group. Let Randy Bartlett know if you want the access password via email.
 - 4.4. Action: Reach out to Watershed Partnerships to see if there is a message to move forward. It would be great if Pua could get a general message from WPs, and she will look into it. Fact sheets? So we can share the reality of what is happening in the field with the public. On an overarching level, what message do we have for common statewide questions? ACTION: Pua to place on the next WP meeting agenda.
 - 4.5. Action: Franny Brewer will meet with Dr. Jarvi to ask about messaging. They haven't gotten back to her on this. Christy suggested having a discussion with Laura and DOH vector staff to speak about outreach materials. Make sure that Dr. Jarvi has input on

this as well. Some of the products need to address what is actually effective, and what isn't. Can go to DOH EPO to find more info and links. Get more info from Laura McIntyre for specific outreach command structure regarding outbreaks. Make sure that Aaron Ueno, Eric Honda, Vector branches (get staff from Laura), and Janis Okubo are involved with messaging. Make sure to contact Janis before going to the press. Can always repost message from DOH website.

4.6. Action: Connect with Tracy Johnson on related action item from Control Working Group to develop outreach around upcoming biocontrol agent releases. This was not completed. Franny will move forward on this.

5. Status of FY15/16 Projects (Deliverables/Metrics)
6. Discussion of Rebranding of Report-A-Pest.org to 643-PEST.org
