

HISC Strategic  
Planning Meeting  
August 13, 2014

**Control Strategies**  
*Control Working Group*

# Agenda

## Outcomes:

1. Identify strategies for control priorities
2. Identify capacity needed to achieve strategies
3. Develop at least 1 evaluation measure for each strategy

30 Min

- Introductions
- HISC Strategic Planning Process Overview
- Review of priorities (identified in Strategic Planning Kick-off) & ID top 3 for process

2 hrs 30 min

For each priority:

- a. What is the Ideal Result?
- b. Identify HISC Strategies (Implementation steps for HISC: i.e. policy, funding, and/or management/action)
- c. What capacity does HISC need to do this?
- d. Identify Evaluation Measures

# Introductions

# HISC Strategic Planning Process Overview

- HISC Strategic Planning Kick-off in partnership with CGAPS: January 9-10, 2014
- HISC Working Groups (Public Outreach, Research & Technology, Control, Prevention, and Resources)
- CGAPS Strategic Planning
- Strategies out for review

# Outcomes:

1. Identify strategies for control priorities
2. Identify capacity needed to achieve strategies
3. Develop at least 1 evaluation measure for each strategy

## For Each Priority:

- a. What is the Ideal Result?
- b. Identify HISC Strategies (Implementation steps for HISC: i.e. policy, funding, and/or management/action)
- c. What capacity does HISC need to do this?
- d. Identify Evaluation Measures

# Notes About Today's Process

- Includes early detection/rapid response (EDRR) and longer term control
- Working on top 3, but other priorities will not be lost
- Funding discussions by Resources Working Group
- Focus on HISC kuleana for each priority

# Control Priorities Identified in HISC Statute, Chapter 194:

- Identify and record all invasive species present in the State
- Review state agency mandates and commercial interests that sometimes call for the maintenance of potentially destructive alien species as resources for sport hunting, aesthetic resources, or other values
- Review the structure of fines and penalties to ensure maximum deterrence for invasive species-related crimes

# Control

## Highest Ranking Priorities

## HISC Priority Ranking Score

Lack of dedicated funding

6

Dedicated funding source

12

Have tourists pay into systems that funds work

6

**Total:**

**24**

More biocontrol (joint facilities, post-release monitoring, international collaborations)

10

Institutionalize online pest reporting that works with/ integrates hotline and an app and web

8

Establish Aquatic Invasive Species Team on each island

6

More sophisticated cost/benefit analysis of control

5

Access to information both internal and external

4

HISC list of invasive species that could be acted on

4

Early detection botanist and entomologist on each island

4

HISC drafting administrative rules

4

# Control Priorities Poll

access to information, both internal & external

More biocontrol (joint facilities, post-release monitoring, int'l collabs.)

Institutionalize online pest reporting that works with/  
integrates hotline and an app, & web

Establish Aquatic Invasive Species Team on each island

More sophisticated cost/benefit analysis of EDRR & control

HISC list of invasive species that could be acted on

Early detection botanist & entomologist on each island

Drafting administrative rules

ID & record all invasive species present in the state

review agency mandates & commercial interests that sometimes call  
for the maintenance of potentially destructive alien species as  
resources for sport hunting, aesthetic resources, or other values

review the structure of fines & penalties to ensure max  
deterrence for invasive species-related crimes

## Choose your top 3

only rule: 1 dot per priority → no double/triple dipping

# For Each Priority:

- a. What is the Ideal Result?
- b. Identify HISC Strategies (Implementation steps for HISC: i.e. policy, funding, and/or management/action)
- c. What capacity does HISC need to do this?
- d. Identify Evaluation Measures

# Next Steps:

- Draft of Control Section of HISC for review

Next meeting dates:

- **Prevention Working Group:**  
Wednesday September 3, 1:00 p.m. – 4:00 p.m.
- **Resources Working Group:**  
Wednesday October 1
