Dear Sir or Madam:

I fully support the nomination of the Ewa Battlefield in West Oahu to the National Historic Register as an important battlefield site with local, state and national significance as part of the December 7, 1941 attack on Pearl Harbor. The attack was an iconic moment in time which completely altered the course of American history.

Over time, other Pearl Harbor historic battlefield sites have become National Historic Landmarks and part of the World War II Valor in the Pacific National Monument. It is only fitting that the Ewa Battlefield and the Ewa Community also receive this same due historic recognition and commemorative honor as have other Pearl Harbor battle sites.

Very truly yours,
