Instructions for Bottomfish Vessel I.D. Registration Form

Hawai'i Administrative Rule Chapter 13-94, Bottomfish Management, requires that **all fishermen** taking or possessing any of seven species of bottomfish in the Main Hawaiian Islands, must register their vessel on an annual basis with the department and obtain an identification number. The **identification number** will be based on an existing vessel registration number. The seven species are: `ula`ula koa`e (onaga), `ula`ula (ehu), `opakapaka, `ukikiki (gindai), kalekale, lehi, and hapu`u. For full and correct details, obtain a copy of the Administrative Rule from the nearest Division of Aquatic Resources (DLNR-DAR) office or at <http://dlnr.hawaii.gov/dar/files/2014/04/ch94.pdf>

- 1) The individual who is registering the **vessel** must complete the top half of the form and sign on the signature line. Please fill out all appropriate fields. There is no fee for registering your bottomfish vessel. You must return this form and proof of vessel registration or documentation (see next paragraph) to the nearest DLNR-DAR office (please check to make sure office is open) or via email, mail, or fax.
- 2) You may **bring** either the **State of Hawai'i Certificate** (HA registration card), **U.S. Coast Guard (USCG) documentation**, or NOAA permit with you for verification when submitting the completed Bottomfish Vessel I.D. Registration Form to a DLNR-DAR office. If you are emailing, mailing, or faxing, or the Bottomfish Vessel I.D. Registration Form, please include a clear legible copy of the HA registration card or USCG documentation or NOAA Permit with the Bottomfish Vessel I.D. Registration Form.
- 3) You can send it via **MAIL: Division of Aquatic Resources, ATTN: BF Registration, 1151 Punchbowl St., Rm. 330, Honolulu, HI 96813. FAX: (808) 587-0115, ATTN: BF Registration. EMAIL: CMLS@hawaii.gov. You will receive a card confirming your registration, which must be on your vessel at all times.** Call the nearest DLNR-DAR office, if you have any questions.
