

Aquaculture Dealer License
Specific Terms and Conditions

The *licensee* refers to any person issued an aquaculture market license pursuant to section 13-74-44, Hawaii Administrative Rules. The *license* authorizes the licensee to sell regulated aquatic life, provided they were raised by a licensed aquaculture facility.

I understand that:

1. It is unlawful to sell any regulated aquatic life or live rock unless I have first obtained a valid aquaculture dealer license.
2. I may purchase or obtain regulated marine life or live rock only from licensed aquaculture facilities or other licensees.
3. I must make and issue receipts of all transactions (sale, receipt, transfer or exchange) of regulated aquatic life, except I am not required to record the name and address of the buyer on the receipt for sales directly to the consumer.
4. I must keep all receipts on the premises for not less than twenty-four months after the transaction date or until the regulated aquatic life or live rock is no longer in my possession, whichever is longer.
5. I must show the receipts upon the demand of any officer authorized to enforce the laws of the State.
6. I must allow inspections upon the demand of any officer authorized to enforce the laws of the State.
7. I may sell regulated aquatic life or live rock only to other licensed markets or directly to the consumer.
8. I may not purchase or sell any mullet less than seven inches fork length, even with this license.
9. This license shall expire two years from the date of issuance. The issuance date is printed on the license.
10. The license is issued to the market outlet, one license per outlet. Only employees on official business may use the license. The license may not be used for personal use.
11. The license fee is \$50.00, but until further notice, DLNR has waived this fee.

I understand and agree to abide by all of the terms and conditions of the license/permit as specified on this document, on the specific terms and conditions form, and as may be elsewhere provided by law. I understand that any violation of any term or condition of a license/permit, including any misstatement of fact or circumstance, may result in the invalidation and/or revocation of the license/permit, and the prosecution of an enforcement action against me as specified in the Hawaii Revised Statutes, Chapters 187A, 188, and 189. In the event of any difference between the terms and conditions of a license or permit, and the applicable administrative rules or law, the rules and law shall apply. My signature or electronic signature shall be considered as my agreement to comply with all requirements and may be recorded electronically through the Internet licensing application. This procedure is deemed lawful under the Uniform Electronic Transactions Act, Section 489E, Hawaii Revised Statutes.
