

# GOING FISHING?

## And you're from out of state?

Nonresidents age 15 and older who want to fish in the ocean must purchase a Nonresident Recreational Marine Fishing License, whether you're fishing from land or a boat - including charter boats.

It's easy to do. Just scan the QR code, follow the prompts, and you'll get your license instantly.

Aloha, and happy fishing!

Active-duty U.S. military and their families are exempt from the license requirement.
