

Come Share Your Mana'o

Join the conversation to inform sensible and culturally grounded nearshore management for Maui.

We Need Your Kōkua

The Division of Aquatic Resources (DAR) is hosting Information Exchanges to gather additional feedback from Maui residents on the DRAFT proposal that has been updated based on community input received in September 2024. The management proposal developed by the community-nominated Maui Navigation Team was created to ensure healthy reefs and abundant resources for future generations.

There will be two opportunities to participate in person, please RSVP through the QR code or at <https://bit.ly/holomuarsvp>

If you RSVP'd for our previously canceled event (July 29) and plan on attending one of the following sessions, please take a moment to RSVP again. Mahalo!

Wednesday
August 6, 2025
Kihei Community Center
5:30pm-8:00pm

Wednesday
Sept 3, 2025
Mayor Hannibal Tavares
Pukalani Community Center
5:30pm-8:00pm

The Holomua Marine Initiative is a community-driven process to develop an island-based management strategy in partnership with DAR to strengthen effective management of nearshore resources.
