Historical note: [This chapter is based on the schedule of fees and charges of the small boat harbors rules, effective November 5, 1981, and as amended thereafter, under the jurisdiction of the Department of Transportation, Harbors Division.] The administrative jurisdiction for recreational boating and related vessel activities were transferred from the Department of Transportation, Harbors Division to the Department of Land and Natural Resources, Division of Boating and Ocean Recreation, effective July 1, 1992, in accordance with Act 272, SLH 1991. [Eff 2/24/94, am and comp]

§13-234-1 General statement. (a) The fees and charges relative to the use of state property and facilities at a small boat harbor are:
(1) Calculated to produce an amount [at least] sufficient to pay the expenses of operating, maintaining, and managing the facilities and services and the cost including interest, of amortizing capital improvements for boating facilities [appropriated after July 1, 1975] including, but not limited to, berths, slips, launch ramps, [and] related accommodations, [exclusive of the costs of constructing, operating, and maintaining] general navigation channels, [protective] breakwaters, aids to navigation, and other harbor structures[, and aids to navigation]; and
(2) Fixed with due regard to the primary purposes of providing public recreational facilities [and promoting the fishing industry]. See sections 200-2 and 200-08, Hawaii Revised Statutes.]
(3) The mooring fees shall be set by categories, schedule A and schedule B, to be determined by the department, provided that:

(A) Schedule A shall include existing mooring holders with an annual increase toward schedule B rates of twenty percent per year; and

(B) Schedule B shall apply to all new mooring applicants and transient slips on or after the effective date of these 2010 rule amendments.

(b) Nothing contained in this subchapter shall be construed to limit the authority and power of the department to waive any late fees and related interest, or to assess any reasonable fees and charges in addition to those specifically provided in this subchapter for trivial or infrequent uses of state property, facilities, or services if fees for the uses are not contained herein or as the circumstances may warrant.

(c) The acceptance of payment, or billings therefor, shall not waive the nature of trespass or ratify or permit illegal mooring, docking, storage, or parking. [Eff 2/24/94; am 1/22/10; am and comp (Auth: HRS §§200-2, 200-3, 200-4, 200-8, 200-10) (Imp: HRS §§200-2, 200-3, 200-4, 200-8, 200-10)]

§13-234-2 Payment and delinquency and liens. (a) Security deposit and method of payment:

(1) Security deposit. A permittee upon being issued a use permit shall, in addition to paying fees and charges as they become due, deposit with the State in legal tender or in such other form as may be acceptable to the State, an amount equal to two months' fees and charges at the rate prescribed in the rules in effect on the date of issuance of the permit as security for the faithful performance on the permittee's part of all the terms and conditions, specified therein.
On the effective date of any increase in fees and charges, the permittee shall deposit such additional amount to cover the increase. The State shall refund any excess deposit if the fees and charges are reduced. The deposit will be returned, without interest, to the permittee upon the termination of the permit only if the terms and conditions have been faithfully performed to the satisfaction of the department. In the event the permittee does not so perform, the department may declare the deposit forfeited or apply it as an offset to any amounts owed by the permittee to the State under the use permit, or to any damages or loss caused to the State by the permittee. The exercise of the permittee's option is without prejudice to the right of the State to institute action for debt or damages against the permittee or to take any other or further action against the permittee as may be provided by law or these rules for the enforcement of the rights of the State under the use permit.

(2) [Advance payment required.] As a prerequisite to the issuance of a use permit the permittee shall make a security deposit pursuant to section 13-234-2, pay the permit processing fee, one month's fees and charges, and any other fees and charges that may be due and payable to the State; provided that if the effective date of the use permit is other than the first day of the month, charges shall be properly prorated for the balance of the month and these prorated charges shall be paid.

(3) Method of payment of fees and charges. The following fees and charges shall be paid [in advance] without notice or demand on the [first] last day of each and every month during the life of the use permit, except that the amounts due for the first month
shall be paid prior to the issuance of the permit as described in section 13-234-2:
(A) Mooring;
(B) Residence;
(C) Electricity;
(D) Shower;
(E) Dry storage;
(F) Gear locker; and
(G) [Facilities constructed by others; and
(H) Rent and other fixed recurring fees and charges.

(b) Permit processing fees are due and payable in advance.

(c) All [other] fees and charges required by this chapter, except for fees and charges pursuant to section 13-234-25, are due and payable on [the first] or before the last day of the month [after] in which they are incurred. Fees and charges assessed pursuant to section 13-234-25 shall be due and payable in accordance with section 13-234-25(f).

(d) Fees and charges for the last month shall be properly prorated. If the termination is at the owner's option, unless a written notice of intent to vacate has been received by the department from the boat owner at least thirty calendar days in advance of the termination date as prescribed in section 13-231-9 the owner shall be liable for the full amount of the monthly fees and charges.

(e) All fees and charges shall become delinquent [thirty] four calendar days after they become due and payable. All delinquent accounts will be referred to the Credit Bureau Services if they remain unpaid [on] twenty-five calendar days from the day the account becomes [delinquent.] delinquent.

(f) Without prejudice to any other remedy available to the State, interest and, regardless of the amount of the delinquency, a $25.00 per month service charge shall be assessed on all delinquencies. The interest shall be computed at a rate of one percent per month, annual percentage rate of twelve percent, on the delinquent amount. The interest and service charges shall continue to be assessed until
the delinquency is paid in full.] For all delinquent payments due to the department, interest shall be charged at the rate of one per cent per month on the unpaid balance, including prior interest charges and delinquent account service charges, beginning on the first day payment is delinquent and continuing monthly thereafter until the amount due is paid. Additionally, regardless of the delinquency amount and without prejudice to any other remedy available to the department, a delinquent account service charge of the greater of five per cent of the amount owed or $100 per month shall be assessed on any delinquency. The interest charge and delinquent account service charge shall continue to be assessed until the delinquency is paid in full.

(g) In the event the fees and charges which [shall] have accrued in favor of the department [shall not be] have not been paid as provided in these rules, the department may, after reasonable notice, take possession of the vessel, its tackle, apparel, fixtures, equipment, and furnishings, and may retain such possession until all charges then [owing] owed and any charges which [shall] thereafter accrue are fully paid. The remedy [thus] provided in this section [is] shall be in addition to and not in lieu of any other remedies which the department may [have] pursue by [virtue of] statute or otherwise. [Eff 2/24/94; am and comp] (Auth HRS §§200-2, 200-3, 200-4, 200-10) (Imp HRS §§200-2, 200-3, 200-4, 200-10)

(1) Schedule A shall include existing mooring holders with an annual increase toward schedule B rates of twenty per cent per fiscal year; and

(2) Schedule B shall apply to all new mooring applicants and transient slips on or after
the effective date of these 2010 rule amendments.

The mooring rate schedule in this subsection [is] shall be per foot of vessel length overall [per month effective upon the applicant's acceptance of the offer of an available berth.] or maximum length of berth or mooring, whichever is greater.
