ATTACHMENT A - State of Hawaii, Conditions for Wildlife Control/Nuisance Permits

Authority:

Authority to issue Wildlife Control Permits and establish conditions for said permits is given under Sections 183-D-21 and 183-D-61, Hawaii Revised Statutes and in accordance with Title 13, Chapters 123 and 124 of the Division of Forestry and Wildlife Rules. Authority to

issue wildlife permits is granted to the Board of Land and Natural Resources or its authorized representative.

General Conditions:

All Wildlife Control Permits are subject to the following conditions:

- A. This permit is non-transferable or assignable; a copy must be carried by the permittee(s) while engaged in activities permitted under this permit.
- B. It is mutually understood that this permit does not by implication mean that the Board of Land and Natural Resources has extended authorization to the permittee(s) to (a) use any method to destroy the above species of birds or mammals if it be in violation of any State or Federal laws or County ordinances or (b) enter upon lands not under its control.
- C. The permittee(s) acknowledges that in consideration of the permit granted, the permittee(s), for himself, his heirs, beneficiaries, executors and administrators, WAIVES ALL CLAIMS AGAINST, DEMANDS UPON, AND RIGHT TO RECOVERY from the State of Hawaii, Board of Land and Natural Resources, and any and all of their officers, agents, and employees for any losses, injuries, death, and/or property damage to permittee(s) or members of his (their) party. The permittee(s) further agrees to release, hold harmless, indemnify, defend, discharge, and agrees not to sue the State, the Board of Land and Natural Resources, and their officers, agents, and employees for any and all claims of liability, losses, damages, costs, and expenses, including attorney's fees, resulting from the activities of the permittee(s) or anyone assisting the permittee(s).
- D. The primary permittee(s) shall be directly responsible and accountable for all activities under this permit and must submit a report of animal control activities to the Division of Forestry and Wildlife located at 685 Haleakala HWY Kahului HI 96732 or directly to staff at checkout.
- E. All persons whose names are listed in Attachment B, which is attached here to and made a part of this permit, have read this permit and acknowledge the understanding and agreement to abide by the conditions by signing (affixing his or her signature) in the space provided on the original and duplicate copies.
- F. Any persons violating any of the conditions stipulated under this permit shall be subject to the penalty provisions provided by law. Further, any infraction of this permit may be cause for revocation of this permit and denial of future permits.
- G. Permittee must obtain police clearance if discharging firearms in restricted areas.

Special Conditions:

- A. Permittee possesses a valid Hunter Education Certificate and shall employ safe hunting practices consistent with the certification.

- B. Permittee possesses a State of Hawaii hunting license and agrees to all terms and conditions of that license when exercising the opportunities provided by this project under that license.
- C. Animal control will be allowed only within the areas provided on the attached maps and daily instructions, maps, or notices provided by the staff, and shall be carried out in accordance with all terms and conditions identified on the map, including pertinent information and restrictions regarding boundaries, roads, trails, access points, safety zones, discharge of firearms, and areas that are off limits.
- D. Animal control will be allowed from ½ hour before sun-up to ½ hour after sun-down.
- E. This permit is non-transferable or assignable; a copy must be carried by the permittee(s) with valid hunting license(s) and ID while engaged in activities permitted under this permit.
- F. Pedestrian access to the hunting area is **ONLY** through the gates in the section of fence that parallels Makena-Keoneoio Government Road or via established trails within the NAR (see attached map). **NO** access from adjacent private and state lands on other sides of the hunting area. Motorized vehicles are not allowed within the hunting area.
- G. Submitting hunting harvest information is **REQUIRED** upon check out whether animals were harvested or not. Information necessary includes: Hunter names, species and number of animals harvested and any animals observed but not harvested. POC is Joe McDonald 268-2138.
- H. Park only in the open public parking areas provided at either Kanahena (“Dumps”) or at Keoneoio/La Perouse Bay. **DO NOT PARK ON THE MAIN ROAD**, park well off the pavement.
- I. Blaze orange must be worn by all participants.
- J. Permittees are reminded that a portion of the Natural Area Reserve at Kanahena (aka “Dumps”) will remain open to the general public during this period.
- K. Permittee shall comply with posted private property and safety zones.
- L. Rifles are required to be .30 Caliber or less.
- M. Participants of staff supervised animal control in unfenced portions of the reserve will be required to satisfy a pre-hunt orientation and comply with all staff instruction. Staff will be present at all times and participants will check in and check out for each day.
- N. Permits may be issued for periods up to three months at a time. Participants are required to schedule days they will be present in the reserve with reserve staff Peter Landon 268-899 or Joe McDonald 268-2138.
