Hawai‘i’s state parks are part of our unique and magnificent island environment. We invite you to experience and enjoy our parks. Please visit with respect and help us take care of these special places.

This guide will acquaint you with the varied opportunities offered in our state parks. Enjoy your visit and have a safe outing.

Aloha and Mahalo,

DAVID Y. IGE
Governor of Hawai‘i

Aloha and Welcome to Hawai‘i’s State Parks!

Hawai‘i is the most remote land mass on earth. Its reputation for unsurpassed natural beauty is reflected in its parks. Hawai‘i’s state park system is comprised of 51 state parks encompassing nearly 30,000 acres on the 5 major islands. The park environments range from landscaped grounds with developed facilities to wildland areas with trails and primitive facilities.

Outdoor recreation consists of a diversity of coastal and wildland recreational experiences, including picnicking, camping, lodging, ocean recreation, sightseeing, hiking, and pleasure walking. The park program protects, preserves, and interprets excellent examples of Hawai‘i’s natural and cultural history. The exceptional scenic areas are managed for their aesthetic values and developed for their superb views.

We invite you to experience Hawai‘i, learn about its unique resources and history, and participate in outdoor recreation by visiting our parks. As you visit, please help us protect Hawai‘i’s fragile and irreplaceable resources for future generations.

Title II of the Americans with Disabilities Act of 1990

The Department of Land and Natural Resources is dedicated to and actively making all reasonable efforts to ensure that its facilities, programs, and services are accessible to persons with disabilities. The maximum feasible level of access to archaeological and cultural sites, historic properties, and wilderness areas is provided while preserving each site’s significant features. Where direct access is not provided, an alternative method of experience is available. For more information on accessibility at Hawai‘i State Parks, contact State Parks at (808) 587-0290 or dlnr@hawaii.gov. Any accessibility complaint regarding the Hawai‘i Department of Land and Natural Resources should be filed in writing to:

State parks are open year-round. Fees are charged for various accommodations, guided tours of Iolani Palace, and riverboat cruises on the Wailua River. Entry and parking fees are charged at some parks. Refer to the attached fee schedule, check the website, or call the telephone numbers provided for more information about fees, hours, and special uses.

For permits and information, contact the district offices and park concessionaires (*) listed below.

**FEES, PERMIT REQUIREMENTS, AND OFFICE HOURS ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

**GENERAL INFORMATION**

**PERMITS**

*Camping & Lodging Permits*

Campgrounds and lodging accommodations are open 7 nights a week with the following exceptions:
- Camping on O’ahu from Friday through Tuesday nights.
- Sand Island State Recreation Area, O’ahu is open for camping from Friday through Sunday nights.
- Cabin at Polipoli Spring State Recreation Area, Maui is not available on Monday nights.
- Kīholo State Park Reserve, Hawai’i Island is open for camping from Friday through Sunday nights.

The maximum length of stay at any one park is 5 consecutive nights. Certain parks or campsites allow shorter maximum stays. After any camping stay, you or anyone listed on your permit must wait 30 days before staying overnight again in the same park. Only one campsite or cabin in any given park can be reserved at a time. Rental of cabins or campsites for commercial uses is prohibited except by special use permit.

Camping in vehicles, including campers, vans and trailers, is not permitted. The only exception is at Wai‘anapanapa State Park on Maui, which has a small area designated for camper vans.

Camping and lodging permits may be reserved and purchased up to one year in advance. The exceptions are all parks on the island of O’ahu and Kīholo State Park Reserve on the island of Hawai‘i, where permits can be applied for no more than 30 days in advance.

Camping or lodging reservations and payment are best made via our online permits portal, which is also the most convenient way to check site availability.

**REFUNDS & CHANGES**

No refunds will be given if requested less than 15 days in advance of check-in date.

Refunds for credit card purchases will be credited electronically to your account, minus non-refundable administrative fee and cancellation fee, if the refund request is made within 40 days of purchase. After 40 days and for all non-credit card purchases, refund requests will be issued by check and may take up to 12 weeks to process.

A cancellation fee of $5 PER PERMIT will be deducted from all refund requests. Administrative fees incurred at the time of purchase are also non-refundable.

Changes to your dates of stay, and substitution or addition of guests (up to the maximum limit) are allowed prior to 7 days of your check-in date. Within 7 days of check-in, no changes to permits are allowed. Adding guests may result in additional charges, and changes to your reservation will incur a $3 change fee.

Reducing the number of night’s stay or reducing the number of guests on a permit are not allowed.

All permits for camping and lodging must be paid for in full at the time of reservation. Customers may also purchase permits in person at one of the District Offices. **A 10% non-refundable administrative fee is added to the cost of all permits.**

Accepted forms of payment for walk-in customers include credit card, cash, cashier’s check, certified check, postal money order or bank money order. Checks are to be made payable to the Department of Land and Natural Resources. Personal or business checks will be accepted only if payment is received more than 30 days before the check-in date. Checks are not accepted for O‘ahu camping because of this time requirement.

Permits for Nāpali Coast State Wilderness Park

Nāpali Coast is one of the most special places in Hawai‘i. Its natural and scenic beauty make it one of the most popular wilderness areas in the State. The heavy demand for a limited number of camping permits has created the need for a special set of provisions for the use of this park. These rules include:

- Anyone proceeding beyond Hanakāpī’ai Valley (2 miles from the trailhead) must possess a valid camping permit. Obtain permits online or from a district office.
- Camping permits may be applied for one year in advance. Campers are encouraged to reserve permits well in advance as they sell out quickly during peak season (May to October). NO LAST MINUTE PERMITS ARE ISSUED.
- The maximum length of stay is 5 consecutive nights along the Kalalau Trail (no 2 consecutive nights may be spent at Hanakoa Valley).
- Camping permits for the Kalalau Trail are issued for Kalalau only, the preferred destination at the end of the 11-mile hike. However, permits for Kalalau are also valid for camping at Hanakoa, which is located a little beyond the halfway point of the trail, roughly 6 miles in from the trailhead. Permitted hikers are encouraged to stopover and camp at Hanakoa if they possess a valid permit for Kalalau and they feel the need to break up their trek due to such factors as fatigue, inclement weather, or impending darkness.
- The maximum length of stay is 3 consecutive nights at Miloli‘i Valley (accessible by boat only).
- Landing of kayaks and boats is permitted at Kalalau Beach (May 15 through September 7 ONLY) with valid camping permits. Landings of kayaks and other watercraft at Miloli‘i Beach is permitted for camping (with valid permits, May 15 through September 7) or day use. No other boat landings are permitted within the park.

Camping fees for Nāpali Coast:
Hawai‘i Residents: $15 per person per night
Non-residents: $20 per person per night
*10% administrative fee will be added to permit cost.

Campsites & Campgrounds

Campsites range from primitive sites in remote areas with composting toilets to developed sites with amenities, such as picnic tables, grills, sinks, and showers. Campsites hold a maximum of 10 people. See park descriptions for the type of campsites available.

Camping Fees (except Nāpali Coast)

Hawai‘i Residents: $12 per campsite per night for up to 6 persons; $2 per night for each additional person. Maximum fee per site: $20/night.
Non-residents: $18 per campsite per night for up to 6 persons; $3 per night for each additional person. Maximum fee per site: $30/night.
Children 2 and under are free.
*10% administrative fee will be added to permit cost.

A-Frame Shelters

These 4-person shelters are available only at Hāpuna Beach State Recreation Area, Hawai‘i. These shelters consist of a single room with wooden sleeping platforms and a picnic table. Centrally located is a pavilion with a range, refrigerator, and tables. Comfort stations with cold showers and restrooms are available for shared use by all shelters. One shelter has been renovated to comply with ADA requirements.

Fees for A-Frame Shelters:
Hawaii Residents: $30 per night per shelter
Non-residents: $50 per night per shelter

A-frame shelter at Hāpuna Beach SRA, Hawai‘i Island.

Cabins

Cabins accommodate a maximum of 6 persons each at Wai‘ānapanapa State Park, Maui. A single cabin at Polipoli Spring SRA, Maui accommodates a maximum of 8 persons. One cabin at each of these parks has been renovated to meet ADA accessibility requirements. NOTE: The cabins at Wai‘ānapanapa are scheduled for renovation over the next 2 years and current condition is reflective of an aging facility.

Housekeeping cabins at Wai‘ānapanapa SP.
Cabin consists of units with a kitchen-living room, a bathroom, and 1-3 bedrooms. Each unit is furnished with bedroom and kitchen furniture, 2-burner hot plate, microwave oven, refrigerator, hot shower, bathroom, and cooking and eating utensils. Fireplaces or electric heating are provided in cold mountain areas.

At Polipoli Spring there is no electricity, gas lanterns, or refrigerator but a wood-burning stove is available. Bring your own drinking water, firewood, battery-operated lanterns, flashlight, linens, and towels.

Duplex cabins are available at Kalōpā SRA, Hawaiʻi. These accommodations consist of 8-person units provided with bunk beds, toilet facilities, and hot showers. A centrally located recreational dining hall is equipped for shared cooking and serving all cabin users. Furnishings include a gas range, water heater, refrigerator, freezer, limited dishes, cooking and eating utensils, tables and chairs, as well as restrooms. Bring your own linen and towels.

Forest Reserve Trails

The Division of Forestry and Wildlife (DOFAW) administrative rules apply within the forest reserves. Permits are required for certain trails, trail camps, and other forest recreation activities. During periods of high fire danger, the affected forest reserves may be closed to the public. For more information, contact DOFAW district offices.

Hunting and Fishing

Licenses are required for hunting and freshwater fishing. State fish and game laws and administrative rules apply. Licenses may be purchased from license agents at the district offices. State Parks issues permits to access the hunting area at Ahupua’a ‘O Kahana State Park at the O’ahu District Office.

GENERAL PARK RULES

Park rules are designed to help you and others have an enjoyable visit while protecting the cultural and natural resources. You can help us by observing the following rules.

- **Alcoholic Beverages.** The use or possession of alcoholic beverages is prohibited.
- **Begging and Soliciting** are prohibited, except pursuant to Section 13-7, HAR.
- **Boating Vessels** or any similar buoyant devices are prohibited where posted.
- **Bicycles, Skateboards, Skating, and Rollerblades** are prohibited as posted.
- **Fires.** Open fires are prohibited. Build fires in the fireplaces and grills provided. Portable stoves or warming devices may be used in designated camping and picnicking areas unless posted.
- **Lost and Found Articles** are to be deposited by the finder at the nearest police station.
- **Metal Detecting Devices** allowed on sand beaches only.
- **Natural and Cultural Resources.** Leave all plants, geological, historical, and archaeological features undisturbed.
- **Nudity** is prohibited.
- **Pets** and other animals, except service dogs, are prohibited where posted and not permitted in most of the parks. Where allowed, pets must be on a 6-foot or shorter leash. Pets are not permitted in restaurants, pavilions, beaches, swimming areas, campgrounds, cabins, lodges, and wherever posted. Please clean up after pets.
- **Plants.** Leave all plant life undisturbed. With a permit, reasonable quantities of fruits and seeds may be gathered for personal use.
- **Report of Injury, Death, or Damage.** All incidents resulting in personal injury, death, or property damage must be reported to the district office and other appropriate agencies.
- **Vehicles.** Drive and park motor vehicles only on designated roads and parking areas.
- **Waste Disposal.** Place all waste in trash cans and pack out trash from wilderness parks.
- **Wildlife.** Leave the wildlife and their habitat undisturbed except where hunting and fishing is permitted.
- **Suspected Violations.** Report suspected law and park rule violations to the Division of Conservation and Resources Enforcement at the district offices. The statewide, toll-free Hotline is “643-DLNR” (643-3567).

SAFETY TIPS

Our wildlands and ocean can be exceedingly dangerous. Since natural hazards are part of our natural environment, the outdoors can never be guaranteed safe.

Think safety. Do not take unnecessary risks and heed warnings and posted signs - they are for your protection. Check weather and surf reports and always take note of posted ocean condition signs. If in doubt, contact the district office as to the safety of an area. Be prepared - have a safe outing.

Emergencies

In the case of emergency requiring police, ambulance service, firefighters, or search and rescue, dial “911” on Kaua`i, O`ahu, Maui and Hawai`i. On Moloka`i, dial “0”. No coins required.

Civil Defense Warnings

When you hear the Civil Defense sirens (a steady siren tone for 3 minutes, repeated as necessary), listen to your radio for emergency information and instructions broadcast by Civil Defense. Take necessary action.

WATER SAFETY

Swimming. Lifeguard services are provided at these beaches:
- Hāpuna Beach State Recreation Area, Hawai`i
- Ke`e Beach at Hā`ena State Park, Kaua`i
- Oneloa Beach at Mākena State Park, Maui
- Keawa`ula Beach at Ka`ena State Park, O`ahu

For your own safety, swim only at protected beaches and only during calm conditions; always swim with a friend. Know your own and your partner’s swimming abilities. Children should always be watched closely.

Flotation Gear. Poor swimmers and weak individuals should use inflatables such as air mattresses and tubes only with a great deal of caution.

Bodysurfing. Bodysurfing is one of the most dangerous ocean sports. It requires special knowledge and techniques as well as good physical condition. To avoid injury, seek competent instruction and familiarize yourself with the surf conditions.

Snorkeling. Always snorkel with a friend and stay in close visual contact with your partner. Familiarize yourself with the snorkeling area and the water conditions. Use caution when entering and leaving the water. Watch for boats and floating devices, as well as other snorkelers and swimmers.

Hazardous Tidal Conditions. Once water rises above the knees, water conditions can become dangerous if waves or currents are present. Waders to offshore islands should know the surf and tidal conditions before embarking on their trip. Return before the tide rises or have an alternate route.

Dangerous Shoreline Conditions. Shoreline hazards include sea cliffs with vertical drops, large breaking waves, and wet, slippery surfaces. Always face the ocean and stay a distance away from wave dampened rock surfaces.

Dangerous Marine Life. Many forms of marine animals are dangerous if provoked, mishandled, or eaten. Avoid contact with unfamiliar marine animals. Be cautious of animals with spines, pincers, sharp teeth, and poisonous stings.

Tsunami (Tidal Wave). Tsunami can occur at beaches and low lying coastal areas. When a tsunami warning is given, follow the instruction issued through the Emergency Broadcast System.
Sun Exposure and Skin Damage. Guard against sunburn and long-term effects of skin cancer by using a sunscreen or wearing a hat and loose-fitting clothing.

Heat Exhaustion. During oppressively hot and muggy days, avoid unnecessary exposure to heat and drink plenty of water.

Freshwater Swimming and Drinking Water. Avoid entering streams and ponds when you have open cuts or abrasions on your skin. Do not drink the water without first boiling, filtering, or using purification tablets. Harmful bacteria, such as leptospirosis, may be present and poses a serious health threat.

Hiking. Get information about the trail and inform others of your plans before you start your hike. Plan your hike by knowing the terrain to be covered, the length of the trail, weather conditions, time of day, and hazards along the trail. Allow ample time to return before nightfall by figuring 1.5 miles per hour. Carry proper equipment, including a first aid kit and plenty of water. Wear proper shoes and clothing. Light raingear is recommended.

Stay on the designated trail and avoid following pig trails. Vegetation may hide steep drop-offs. Be extra cautious when crossing streams and walking on wet, slippery trails or on loose, crumbly soil or rock. Hike in a group and keep track of those in your party.

Be aware of hiking trail conditions along the Kalalau Trail, Nāpali Coast SWP, Kaua‘i.

Rock Climbing. Hawai‘i’s mountains are porous, crumbly weathering basalt. They are not suitable for roping or climbing.

Rock Slides and Rock Falls. Steep valley walls, sea cliffs, and waterfalls are subject to rock slides and falls. Use extra caution in these areas and heed the posted warning signs. Never swim under waterfalls due to potential of rock falls.

Flash Floods. Gentle streams can quickly become rushing torrents. Watch for signs of flash flooding: increase in the speed of the stream flow, rapid rise in stream level, a distant rumbling upstream, and the smell of fresh earth. Be prepared to move immediately to higher ground and never attempt to cross the stream when the water level is above your knees.

Poisonous Plants. Never experiment with unfamiliar plants - a taste of some plants can kill you.

Dangerous Animal Life. Be aware of insects that can inflict painful stings and bites, such as the black widow spiders, scorpions, centipedes, bees, and wasps.

The State Parks Interpretive Program seeks to promote understanding and appreciation of the many valuable and unique natural and cultural resources found within our Hawai‘i state park system. In some of our parks you will find signs and brochures to assist with your visit. If brochures are not available at the park, you may request one through the district offices. Special interpretive programs are available for organized groups on a pre-arranged basis at selected state parks as staffing allows.

- At Ahupua‘a ‘O Kahana State Park on O‘ahu there are programs that share Kahana’s multi-cultural traditions, including arts and crafts, subsistence practices, and tours of various cultural sites, such as a ko‘a (fishing shrine), lo‘i kalo (taro patch) and a loko ‘ia (fishpond). Call (808) 237-7767 for reservations and information.

- At Lapakahi State Historical Park on Hawai‘i, interpretive guides provide talks and demonstrations on the traditional lifestyle of an Hawaiian fishing community. Call (808) 327-4958.

- At the Royal Mausoleum on O‘ahu, a curator is available to assist with guided tours of the property. Call (808) 587-2590.

Additional interpretive services and special programs are offered by various non-profit organizations and concessionaires in the parks, including the Friends of ‘Iolani Palace (‘Iolani Palace, O‘ahu), Kōke‘e Natural History Museum (Kōke‘e State Park, Kaua‘i), and the boat tours to the Fern Grotto (Wailua River State Park, Kaua‘i).

Hawai‘i’s environment is unique, diverse, and fragile. Our resources are some of the most endangered in the world. This means we must all do our part to help sustain Hawai‘i’s valuable resources. Please be a model visitor - pick up your litter, pack out what you pack in, and do not damage the plants, animals, historic sites, and reefs. These resources are important elements of Hawai‘i’s past and our future.

Volunteers in the parks provide much needed help to sustain these natural and cultural resources. Please contact the nearest district office if you would like to help.
‘Akaka Falls SP
End of ‘Akaka Falls Road (Hwy. 220) from Highway 11; 3.6 miles southwest of Honomū Town and 13 miles north of Hilo.

Pleasant self-guided walk through lush tropical vegetation to scenic vista points overlooking the cascading Kahuna Falls (300 feet high) and the free-falling ‘Akaka Falls (442 feet high). Both plunge into a steep-sided gulch cut by Kolekole Stream. The 0.4-mile loop footpath requires some physical exertion with stairs, short uphill slopes, and several bridges over small tributary streams. The trail is not ADA accessible. Be prepared for frequent rain showers. Spectacular views. $Entry or parking fee for non-residents (see insert).

(65.4 acres)

Hāpuna Beach SRA
On Queen Ka’ahumanu Highway (Hwy. 19); 2.3 miles south of Kawaihae.

Landscaped beach park with swimming during calm seas, bodysurfing during periods of shorebreaks, sunbathing and other beach activities, picnicking and shelter lodging opportunities. Dangerous rip currents and pounding shorebreaks during periods of high surf. Waves over 3 feet high are for experts - all others should stay out of the water and away from the shoreline! Lifeguard services present. Hiking opportunity is available along the historic coastal trail, Ala Kahakai. A second beach area with parking and restrooms is located at Waialea Bay, just south of Hāpuna Beach. $Parking fees for non-residents.

(61.8 acres)

Kalōpā SRA
At end of Kalaniai off Kalōpā Road, 3 miles inland from Highway 19; 5 miles southeast of Honoka’a Town.

Cabin lodging, tent camping with shelters, picnic pavilions, and easy family nature hike (0.7 mile loop trail) in a native ‘ōhi‘a forest at the 2,000-foot elevation. Trail has many of the island’s native plants. Additional trails in the adjoining forest reserve. Expect frequent showers and muddy trail conditions.

(100.0 acres)

Kealakekua Bay SHP
At end of Nāpō‘opo‘o Beach Road off Government Road from Pu‘uhonua Road (Hwy. 160) or Lower Government Road from Māmalahoa Highway (Hwy. 11).

Site of the first extensive cultural contact with the arrival of Captain Cook in 1779. Viewing of Hikiau Heiau, a traditional religious site, and the Captain Cook Monument at Ka‘awaloa, across Kealakekua Bay from Nāpō‘opo‘o. Beach activities and picnic pavilion at Nāpō‘opo‘o. Snorkeling and hiking at Ka‘awaloa. (180 acres)

C Concession Operated Facility  H National Historic Landmark  N National Natural Landmark
Kekaha Kai (Kona Coast) SP
On Queen Ka‘ahumanu Highway (Hwy. 19), 2.6 miles north of Keahole Airport. Separate 1.5 mile long access roads from highway to Mahai‘ula and Manini‘ōwali-Kua sections of the park.

Mahai‘ula section to the south has a sandy beach and dune offering opportunities for swimming and beach-related activities. A picnic area with tables is available. A 4.5-mile hike north through this wilderness park on the historic coastal trail, Ala Kahakai, leads to Kua Bay. Midway, a hike to the summit of Pu‘u Ku‘ili, a 342-foot high cinder cone, offers an excellent view of the coastline. Dry and hot with no drinking water available.

Manini‘ōwali (Kua Bay) section at the north end of the park has been developed with a paved access road, parking lot, and comfort station with outdoor shower. Picnic tables available. (1,642.5 acres)

Kohala Historical Sites SM
On coastal dirt road off ‘Upolu Airport road from Akoni Pule Highway (Hwy. 270); 1.6 miles southeast of ‘Upolu Airport.

Viewing of Mo‘okini Heiau and Kamehameha I Birthsite. A National Historic Landmark, Mo‘okini is one of the most famous luakini heiau (sacrificial temple) on the island. The birthsite is a memorial to Hawai‘i’s greatest king who united the island chiefdoms into a kingdom. (6.7 acres)

Kīholo SPR
On Queen Ka‘ahumanu Highway (Hwy. 19), 10.5 miles north of Keahole Airport.

This large coastal park is dominated by lava fields and small bays with sparse vegetation along the shoreline. Hiking on a historic trail from the shoreline to the highway and along the coastline. Campsites are available at Kīholo Bay adjacent to a pebble beach. This is a remote area with gravel roads, no facilities except portable toilets, and no water. Gates are locked 7:00pm to 7:00am from April 1 to Labor day and from 6:00pm after Labor Day to March 31.

Lapakahi SHP
On Akoni Pule (Hwy. 270); 12.4 miles north of Kawaihao.

Learn about the early Hawaiian lifestyle by taking a self-guided tour on a 0.8-mile loop trail through the partially restored remains of this ancient coastal settlement. Interpretive shelter offers exhibits of the ahupua‘a with displays of fishing implements. Nearby ocean waters comprise a marine preserve with various activities regulated. Park open 8:00am to 4:00pm daily, except State holidays. (262.0 acres)

Lava Tree SM
Off Pāhoa-Pohoiki Road (Hwy. 132); 2.7 miles southeast of Pāhoa.

View a forest of lava tree molds along a 0.7-mile loop trail that is now situated within a new ‘ōhi‘a forest. This unusual volcanic feature is the result of a lava flow that swept through this forested area and left behind lava molds of the tree trunks. Trail is paved and accessible. Picnic pavilion and interpretive kiosk along trail. No drinking water. (17.1 acres)

MacKenzie SRA
On Kalapana-Kapoho Beach Road (Hwy. 137); 9 miles northeast of Kaimū.

Volcanic coastline with low cliffs provides picnicking in an ironwood grove. Good shore fishing. Old Hawaiian coastal trail traverses the park. No drinking water. (13.1 acres)
