Natural Area Reserves System Commission:

The Division of Forestry and Wildlife (DOFAW) has completed its review of the proposal for the extension of the Kipahoehoe Natural Area Reserve into TMK (3) 8-8-01:08, and recommends NAR designation. Inclusion will enhance Kipahoehoe NAR by facilitating management and access. There are also restoration opportunities on this parcel.

If you have any questions, or need additional information, please feel free to contact me.

Sincerely,

  
Paul Conry, Administrator
