**OF MATTERS MADE CONFIDENTIAL BY THE STATE PROCUREMENT CODE**

**DATE:** FRIDAY, MAY 29, 2020  
**TIME:** 9:00 A.M.  
**PLACE:** VIRTUAL

On Friday, May 29, 2020, at 9:00 A.M., members of the Legacy Land Conservation Commission are scheduled to discuss, outside of a public meeting, matters made confidential by the State Procurement Code, specifically the evaluation of proposals submitted to the Fiscal Year 2020 Legacy Land Conservation Program for the operation, maintenance, and management of lands that were acquired using a land acquisition grant from the Land Conservation Fund (RFP LLCP2020), and the formulation of recommendations to the Board of Natural Resources about the proposals.

Under the State Procurement Code, "[p]art I of chapter 92 [State Sunshine Law] shall not apply to discussions, deliberations, or decisions required to be conducted or made confidentially under this chapter" (Section 103D-105, Hawai'i Revised Statutes). Therefore, Commission discussions, deliberations, and decisions will not include public attendance, public viewing, and public testimony. However, in order to make it clear from the outset, for the public, what the Legacy Land Conservation Commission is doing, the Commission voluntarily chooses to file this notice to inform the public that the Commission will be discussing, outside of a public meeting, matters made confidential by the Procurement Code.
