

LEGACY LAND CONSERVATION COMMISSION MEETING 75

Handout for Item 5, Commission recommendations to the Board of Land and Natural Resources
for Fiscal Year 2022 grant awards.

March 11, 2022

Sample Recommendation

The Legacy Land Conservation Commission (Commission) recommends that the Board of Land and Natural Resources (Board) approve three awards for grants from available funds in the Land Conservation Fund, for full funding of the three top-ranking FY2022 applications for land acquisition grants, in the order ranked by the Commission, as funds are available.

In order to provide for greater flexibility in the awards program, the Commission also recommends that the Board:

- (1) Approve—as a contingency in the event that an awardee declines its award, or is unable to accept or expend all or part of its awarded funds—awards of remaining, available funds from the Land Conservation Fund, up to the amounts originally requested in the FY2022 applications, to Ke Ao Hali'i as an alternate, for the acquisition of 8.8 acres at Hana, Maui, provided that Ke Ao Hali'i submits amended application materials as requested by Legacy Land Conservation Program staff not later than March 28, 2022.
- (2) Delegate authority to the Chair to redirect remaining, available funds from a FY2022 grant award—that were declined, not accepted, or not used by an awardee—to other FY2022 applications that the Legacy Land Conservation Commission recommended for funding, so as to accomplish full funding for each approved award in the order ranked by the Commission, as funds are available.
