

PROGRAM RECOGNITION GUIDELINES

Kaulunani's Community Partnership Grants Program is funded by USDA Forest Service Region 5, the Hawai'i DLNR Division of Forestry and Wildlife. As such, this program carries certain legal requirements; your cooperation will help provide visibility and good publicity for all.

ACKNOWLEDGING YOUR GRANT

Grantees are required to acknowledge the Forest Service's involvement in writing. Recipients of Forest Service funding must "include a public notification of nondiscrimination and a statement acknowledging financial aid and other significant contributions." Grantees are encouraged to give public notice of the receipt of this award and, from time to time, to announce progress and accomplishments. The recipient may decide how best to provide that acknowledgment. Examples are as follows:

- *Funded by a grant from the Kaulunani Urban and Community Forestry Program of the DLNR Division of Forestry and Wildlife, and by the Urban & Community Forestry Program of the U.S.D.A. Forest Service, Region 5, State and Private Forestry*
- *This project was made possible by the support of the Kaulunani Urban and Community Forestry Program of the DLNR Division of Forestry and Wildlife, and the Urban & Community Forestry Program of the U.S.D.A. Forest Service, Region 5, State and Private Forestry. USDA is an equal opportunity provider, employer, and lender.*

For projects solely IRA-funded:

- *Funding for this project provided by the Inflation Reduction Act and the USDA Forest Service, Urban and Community Forestry Program in partnership with Kaulunani Urban and Community Forestry Program of the DLNR Division of Forestry and Wildlife. USDA is an equal opportunity provider, employer, and lender.*

For projects with multiple funding sources:

- *Funding provided, in part, by the Inflation Reduction Act, Bipartisan Infrastructure Law, and the USDA Forest Service, Urban and Community Forestry Program. USDA is an equal opportunity provider, employer, and lender.*

LOGO USE

The USDA and Forest Service logo is not required on every public deliverable funded by a grant. However, permission to use U.S. Forest Service (USFS) insignia on any published media, such as a web page, printed publication, or audiovisual production must be granted from the U.S. Forest Service's Office of Communications. **A written request must be submitted, and approval granted in writing by the Office of Communications prior to use of the insignia.**

To request permission, send an email to heather.l.mcmillen@hawaii.gov. Include a brief description of Forest Service involvement (e.g., received a grant) and full description of how the logo will be used (e.g., on the cover of the attached publication, on a Power Point slide). If possible, attach an example of how

it will be used. Heather will request permission and reply back to you when granted (usually within one week).

While not required, Kaulunani, DOFAW and DLNR would appreciate their logo being displayed on materials. Partners are encouraged to include the Forest Service insignia. Logos of Forest Service funded partners should be displayed first (to the left or on top) of the Forest Service insignia. Please note the following order of display if all logos are used:

DLNR DOFAW Kaulunani USDA USFS

For further guidance on Forest Service logo use, please refer to the USFS [Insignia Approval for Communication Products | US Forest Service \(usda.gov\)](#) or the [Forest Service Branding Standards](#).

Please contact Kaulunani at info@kaulunani.org to request logo files.
