

The best solutions are the ones we build together

The Holomua Marine Initiative is a community-driven approach where local communities and the Division of Aquatic Resources (DAR) team up and create a plan to strengthen effective management of nearshore resources that reflects each island's unique needs.

Meaningful management means fishers' voices are included in the process from the beginning. Ensure pono fishing practices and traditions stay strong for generations.

Join us at one of the upcoming **Talk Story sessions from 5-7:30 p.m.** and please RSVP using the QR code or by visiting <https://dlnr.hawaii.gov/rsvp-for-holomua-talk-story/>

If you need an auxiliary aid/service or other accommodation due to a disability, contact the Holomua Marine Initiative at holomua@hawaii.gov as soon as possible.
