Captain Cook

How do you think the Navigation Teams should be organized?

We would love to hear your ideas! If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

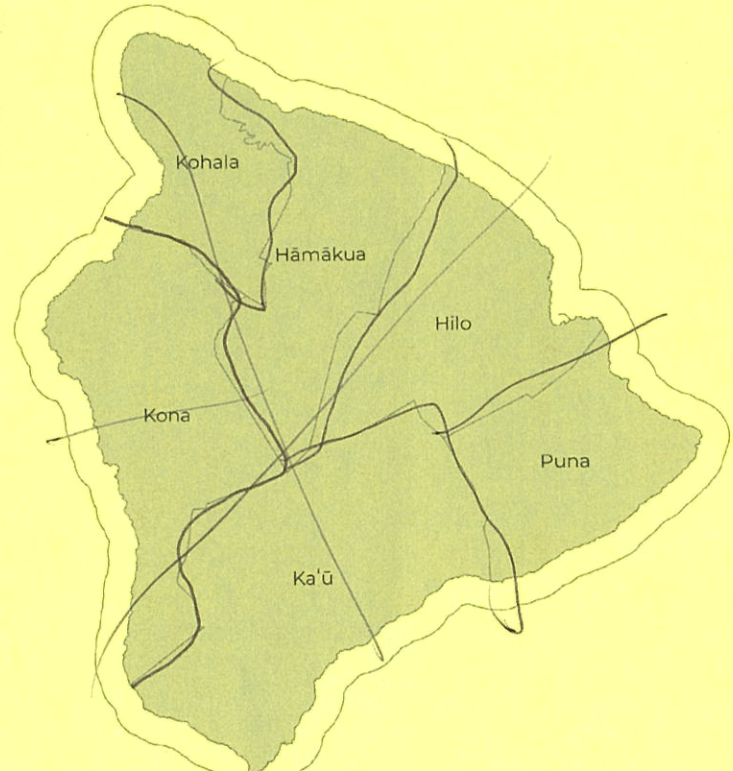

It should include people affected by geography And by usage (coconut rec; fishing; shoreline users)
Also age groups should be included
a. One boy + girl from each high school + even jr high

Have Moku Hui's
w/ various stakeholders
representing diverse views
for each Moku.
But can have multiple
Moku @ same meetings

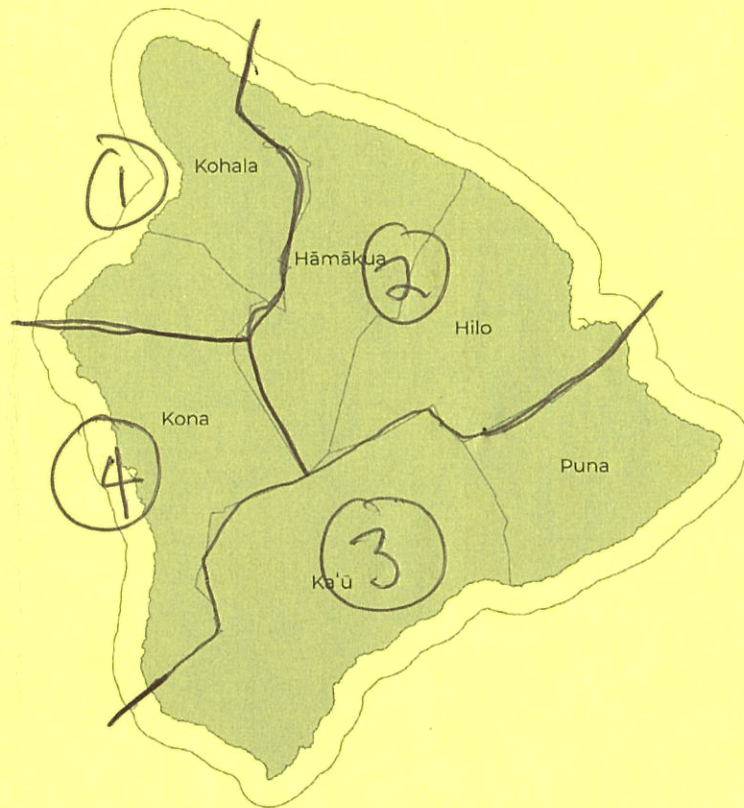

How do you think the Navigation Teams should be organized?

If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

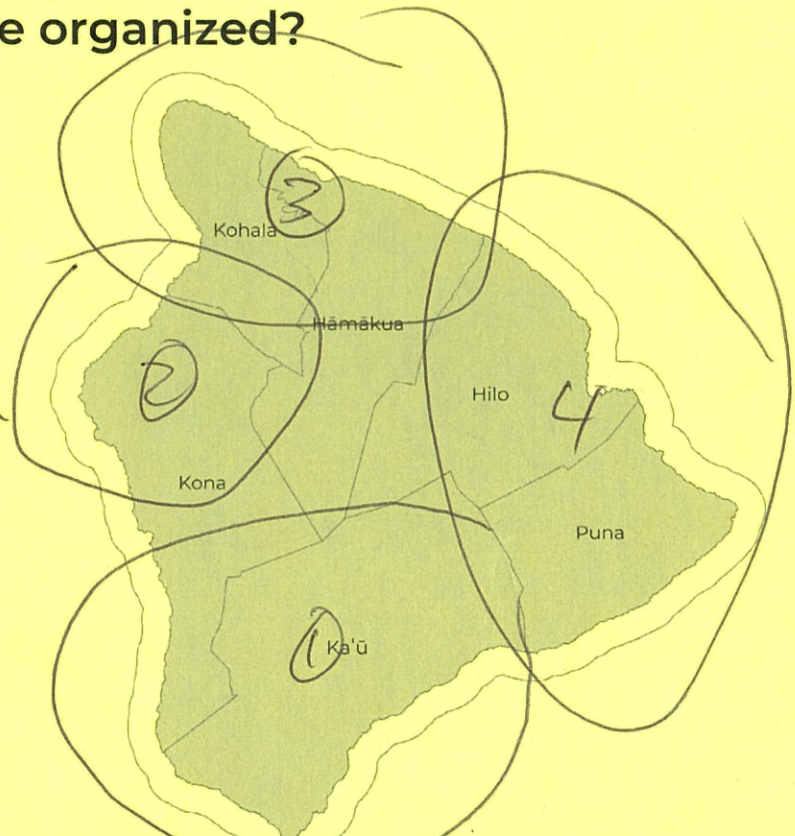

Seems like N & S
Kona need to be
separate, exact lines
depend on those communities
at N. & S, point.

How do you think the Navigation Teams should be organized?

We would love to hear your ideas! If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

If not three with Kona & S. Kohala, North Kona/Kohala, Hanalei, Hilo, Puna, then four as drawn.

How do you think the Navigation Teams should be organized?

We would love to hear your ideas!
If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

new team

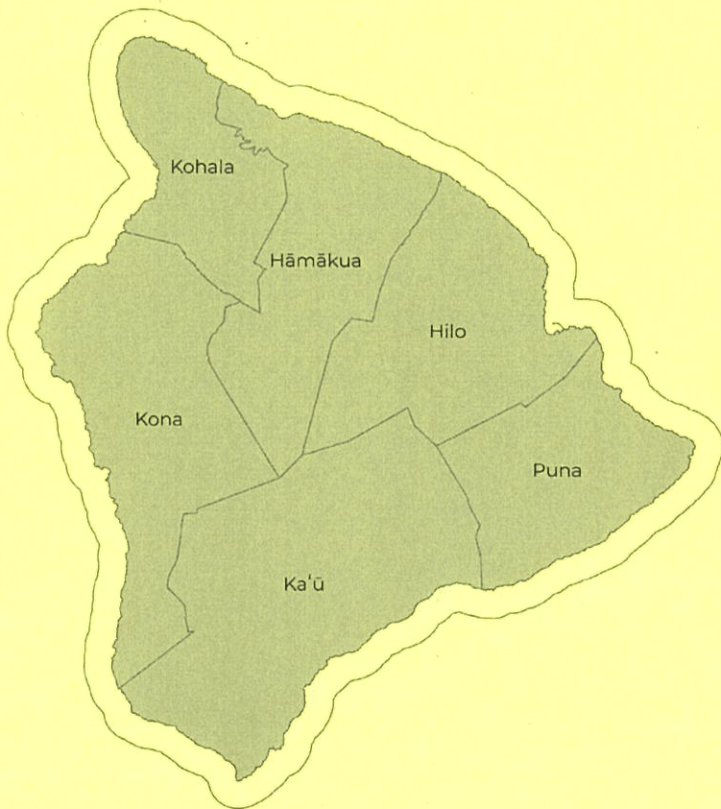

I feel like each
Moku should have
their own Moku-Nav
team and 3-4
members per Nav Team

How do you think the Navigation Teams should be organized?

We would love to hear your ideas!
If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

5 Members per area

How do you think the Navigation Teams should be organized?

We would love to hear your ideas!
If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.

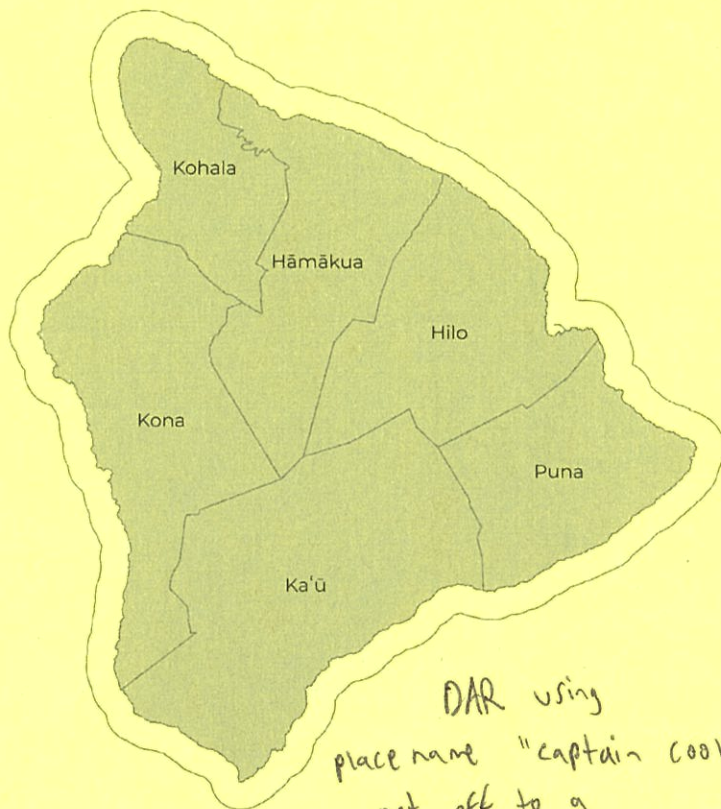

West Hawai'i has more miles of coast than all of Maui Nui.

1-3 moku per nav team if we want it to be like Maui.

If Maui has suggestions or if smaller would be better, perhaps

1-2 moku per nav team.

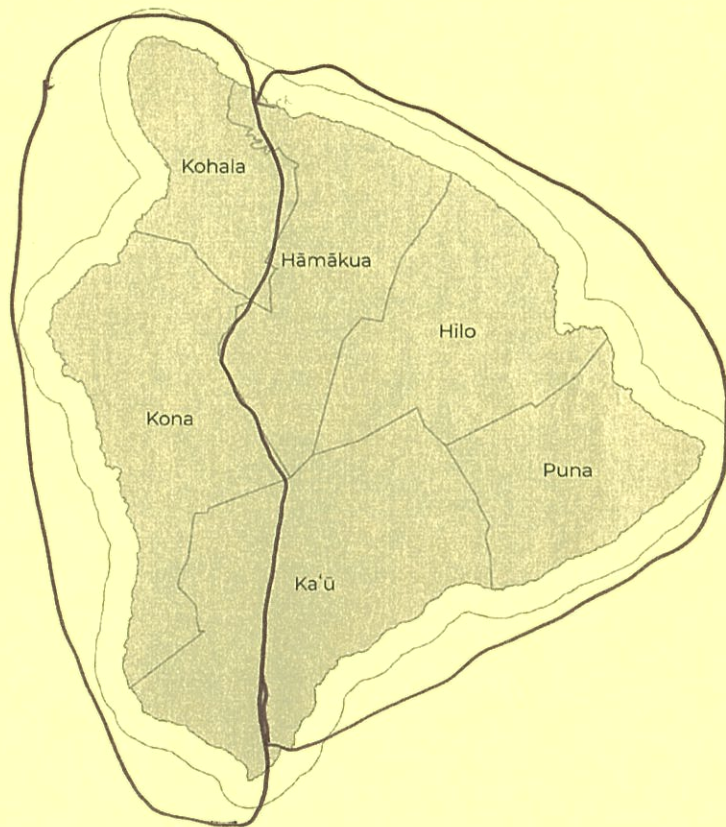

As a Kona person, perhaps w/ Kohala or Ka'u.

DAR using place name "captain cook" not off to a great start...

How do you think the Navigation Teams should be organized?

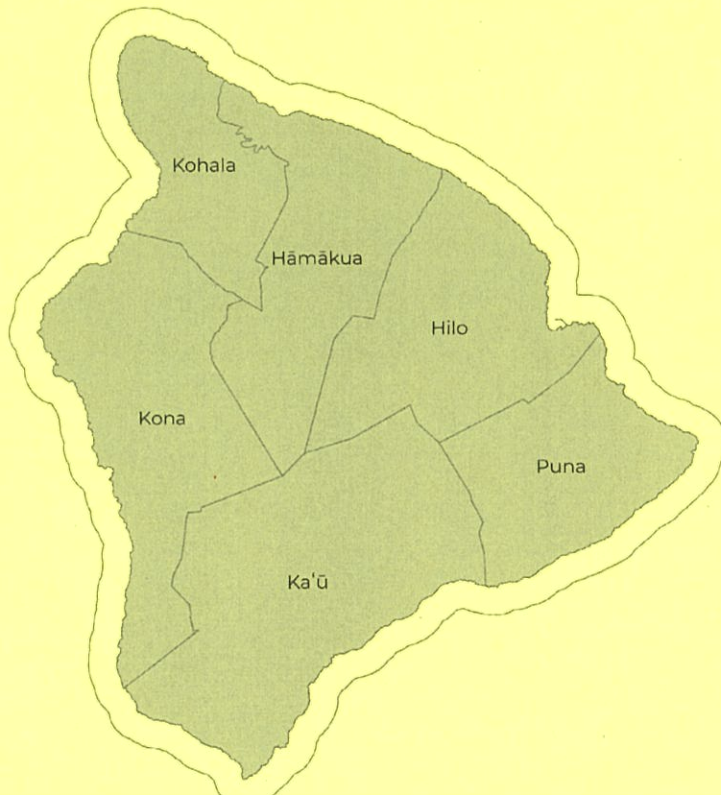

We would love to hear your ideas!
If you have another option to consider, using the space on this sheet, please describe how you think the Navigation Team(s) should be best organized for Hawai'i Island.
