NAV. Teams should be
organized by Moku/Ahupua'a
as Kupuna & residents have
localized knowledge.

I think
Kohala should
have 2 Reps
1 for North and 1
for South Kohala
Same as Kona
and Probably Kai too other than that
1 Rep for district

(Jagannath)

I feel every ahu should have five people who all work together in restoration of the ahupua'a system. fixing all fish ponds and farms to make extremely healthy ecosystems for everyone to thrive with for future

for

generations to come

All working together individually in there own and then
all come together to share and benefit for the
Whole Island. ~~MAKE~~
