What if community wants to do Makai Watch?

Enforcement is black and white for clear law. Unbiased and Fair

People don't know the law - exaggerate to prompt response from DOCARE

Community Allegation of retribution

To complain about getting cited for something illegal is unjustified

If asking for enforcement of an area; everyone needs to follow the rules including community partner

Idea => Reporting Application and Citation Process

What are Puakō scenarios?

- Drinking Rules
- Turtle Rules

Need an Education Day at community meeting or event

Training is available for Puakō community

Emotion, Perception, and Trust - DOCARE needs back-up to approach groups

Facts, Evidence, Relationship, Respect

Need: Chain of command for Puakō MW

- Change behavior and make amends

Moving forward

- Letter to Suzanne – PCA (Robby)

How can we help enforcement?

- Education / Training
- Needs Manpower and Equipment

To do:

- MW Volunteer Core
- Science Night
