RE: BLNR Case No. BLMR-CC-16-002
Reply to TMT International Observatory LLC's and UH Responses
To Petitioners' Request for a Continuance letter sign on July 15, 2016

Dear Judge:

The requests for continuance of the July 18, 2016 deadline to file motions and witness lists by Petitioners' are based on an order and /or instructions from the hearing officer (HO). At the last pre-conference hearing on June 17th, it was stated by HO that you were going to send out instructions regarding the format for submitting the witness list as well as clarification on the matter of those admitted as parties and those designated as witnesses. HRS 91-2

The lack of an order is a bases to continue the July 18 deadline. In deed the requestors did send somewhat partial information to the witness list, and yet lack of information to complete the order there for my due process is being misled

In this case all instructions and format should be made on the <http://dlnr.hawaii.gov/faqs/mauna-kea-faq/> in the Document Library. Therefore the request for a continuance should be granted.
