RE: BLNR Case No. BLMR-CC-16-002
Reply to TMT International Observatory LLC's and UH Responses
To Petitioners' Request for a Continuance letter sign on July 15, 2016

Dear Judge:

In response to Mr. Ing's requests for continuance denied of the July 18, 2016 deadline to file motions and witness lists by all parties' are based on an verbal order and instructions from the hearing officer (HO).

I humbly ask that you" Do Not Deny" my request for continuance, this is not an attempt to delay the due process of law, but to exercise the due process of the rules, in my efforts to follow the rules, it is clear to me that I have the same rights as a lic. Lawyer practicing law in Hawaii.

With all due respect, a written order is the foundation of my instruction to move forward in manner that is required by the hearings officer.

A verbal deadline of July 18, 2016, for all parties to submit list of witnesses and, if any, motion pertaining to, next hearing deadline Aug 5, 2016 to discuss the order and scheduling in which the hearing would be conducted.

In deed, This can be a easy solution, and more effective in following procedure as set forth by rule stated HRS 91-2

Instructions and format should be made on the <http://dlnr.hawaii.gov/faqs/mauna-kea-faq/> in the Document Library. Therefore the request for a continuance should be granted.
