RE: BLNR Case No. BLNR-CC-16-002
Site Visit

Aloha no Judge Amano,

For the scheduled site visit on September 26, 2016, I Mehana Kihoi, am requesting the meeting place be at Hale Pohaku (i.e. Visitors Center), and not in Hilo. As a South Kona resident, this creates an undue burden and limits my ability to be present. Traveling from Honaunau to the Mauna Kea Access road takes approx. 1 hour. To Hilo, adds another 45 minutes (please consider the construction that is currently taking place on Saddle Road).

To and from, this would add approx. 1 1/2 hour(s) of unnecessary travel.

I'm requesting the ability to take photos on this site visit as aspects of this site visit are pertinent to my participation and arguments in these contested case hearing. Also, as it reads, Minute Order No. 10 [Doc 65] applies specifically to "Hearings and Conferences". As this site visit is neither a hearing or conference, it appears that Minute Order No. 10 is not applicable.

Further more, the tour buses go against my cultural practices and disrespect our sacred places. Though thankful for the arrangements, I do not wish to be accommodated.
