RE: Request to be admitted as a party in the contested case hearing for CDUP HA-3568 for the Thirty Meter Telescope in the Mauna Kea Lands, Ka'ōhe, Hamakua District, Island of Hawai'i, TMK (3) 4-4-015:009

I'm requesting to be admitted as a party to the above contested case hearing pursuant to Hawaii Administrative Rules §13-1-31. This request should be granted because: (1) Requestor has a property interest in the lands of Mauna Kea through the exercise of Native Hawaiian traditional and customary practices; (2) Requestor will be affected by the proposed Thirty Meter Telescope project and has an interest in the proceedings that are clearly distinguishable from the general public; (3) Requestor has a substantial interest in the proceedings; (4) Requestor's participation will substantially assist the board in its decision making; (5) Requestor's position is not substantially the same as any existing parties to the proceedings; (6) Requestor's participation will add substantially new relevant information and will not make the proceedings inefficient and unmanageable; (7) Requestor's visit to the top of Mauna Kea over 50 years ago predates most if not all other requestors and parties to this hearing and (8) Requestor's family has long served the Kingdom of Hawaii, including defending it against the Russian incursion on Kauai in 1817.

Thank you for your consideration of this request, and

Me ke aloha,
