NOTICE OF DATES IN JANUARY 2017

This is a Formal Notice of dates in January where I will be off island at an event planned for January at Iolani Palace. This is a continual bi-annual vigil for the past 16 years at which I am the convenor. I will be off Island from January 13, 2017 through January 18, 2017.

GOOD CAUSE SHOWING

Mr Fergerstrom has been alerting this hearing officer since Oct, that he is going to be unavailable in January, for the period mentioned above.

While this hearing officer indicated that she did not think that this contested case would go that long. As there is yet to be calendared any times reaching January of 2017, I thought to insure advance notice before a calendar was made to avoid those dates it was best to advance notice.

Mr Fergerstrom already has airline tickets purchased (non-refundable) dated for January 13-18, 2017.

This vigil is to acknowledge the illegal overthrow of the Hawaiian Kingdom on January 17, 1893. It is a vigil that has been continuous since 2000. The other date of the bi annual vigil is in July That includes July 4th as it is the day that the Republic of Hawaii self declared. In 2017..those days fall on a Tuesday. The vigil is most practical during the weekend preceding. However it is an important part to be on the scene of the crime on those days.

Dated: Nov. 11, 2016
