Governor McMurry has received the following letter from Mr. K. C. Whitaker of San Francisco:

'Wednesday, May 30th, 1915.

My dear Sir:—I want you to know that I found the time of my life here in Hawaii. What great men the Hawaiians are! How much they enjoy their time. I enjoyed their company and conversation, and never did I hear a word of ill will. I am only sorry that I could not spend more time here. I hope to visit again, and I am sure that I shall enjoy the country all the more.

Respectfully,

J. A. WHITAKER.'
