**CINDY FREITAS MEMORANDUM IN SUPPORT OF MOTION**

I Cindy Freitas, (“Petitioner”), in Support of Memorandum for Temple of Lono  
Motion to Board of Land and Natural Resources to Dismiss Ha-3568 (“BLNR”).

**I. INTRODUCTION**

Petitioner has view lots of Documents in the <http://dlnr.hawaii.gov/mk/documents-library/>. DOC B.30 (DOC R-1) Conservation District Use Application (“CDUA”) HA-3568.

**II. ARGUMENT**

In DOC. B.30 CDUA HA-3568 has stated that Mauna Kea is a sacred place of  
worship living practices, and including scattering of cremation remains, ceremonies with  
the shines and ahu as well as pule in many different area on Mauna A Wakea.

There are Historic Properties in the vicinity of the TMT Observatory site and the access way that is documented by the State Historic Preservation Division (“SHPD”) as well as the Batch Plant Staging Area and Hale Pohaku. All this SHPD properties are still in the Cultural Customary Traditional Living Religion Spiritual Practices that are still in use for ceremonies.

Therefore if TMT Observatory or any other Observatory should be Built it will cause a major impact desecration to the Cultural Living Practices as well as the natural environment resources, pursuant to Hawaii Revised Statute 711-1107 Desecration.

With all good cause set forth BLNR should dismiss the permit application HA-3568.
