A. Transcripts

In due respect to the Court Reporter. I have found an era in the transcripts that raises some concerns to the whole Volume of transcripts.

At any time Petitioner did not have the opportunity to inspect the transcripts or have any consultation on the processes of the transcripts if there should be any eras? There for the era is sited in 10-27-16 Tr. Vol. 5 page 386 Line 4-5 states "Mr. and not Ms. Freitas. This will cause a substantial injustice if further eras are detected pursuant to HAR 13-1-39 (a) (2). I am the living original person who did the cross-examination pursuant to Hawaii Revised Statue ("HRS") 91-10; HRS 91-2 and Hawaii Administration Rules ("HAR") 13-197-19. See Routier v. State, 112 S.W.3d 554 (Tex. Crim. App. 2003)

Order 19 DOC 281 filed September 23, 2016 @ 3:18 p.m. on page 5 and 6 as written:

Motion to Reconsider. A party who believes it appropriate, may file a motion to reconsider using the procedure set out herein. Any Motion for Reconsideration shall not be used to reargue the motion or set out positions of a purely repetitious nature or to present factual or legal grounds that could or should have been presented at the original hearing. AMFAC, Inc. v. Waikiki Beachcomber Inv. Co., 74 Haw. 85, 114 (1992).

The deadline for submission of any **motion** to reconsider this minute order and/or the Order Setting Issues, is no later than **3 business days** after the date this motion and order are filed in the Document Library. Any **responses to motions to reconsider**, shall be submitted no later than **6 business days** after the motion and order are filed in the Document Library.

Order No. 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 37 and 38 filed on different dates and time and all pages in Minute Orders states as written:

Motion to Reconsider. A party who believes it appropriate, may file a motion to reconsider using the procedure set out herein. Any Motion for Reconsideration shall not

be use to reargue the motion or set out positions of a purely repetitious nature or to present factual or legal grounds that could or should have been presented at the original hearing. AMFAC, Inc. v. Waikiki Beachcomber Inv. Co., 74 Haw. 85, 114 (1992).

The deadline for submission of any **motion** to reconsider this minute order and/ or the Order Setting Issues, is no later than **5 business days** after the date this Minute Order are filed in the Documents Library. Any **responses to motions to reconsider**, shall be submitted no later that **10 business days** after this motion and order are filed in the Documents Library; essentially 5 business days after the deadline for motions to reconsider.

Though out this process the **FILING/SUBMISSION; MOTION TO RECONSIDERATION AND RESPONSES** was done though 15 Minute Order and now **Minute Order 43** states as written:

FILING/SUBMISSION PROCEDURE. An original of the filing/submission must be received by the DLNR Office of Conservation and Coastal Lands, 1151 Punchbowl Street, Room 131, Honolulu, Hawai'i; no later than **4:00 p.m.** on the deadline set forth (emphasis added). A digital copy in pdf form should be sent to dlnr.maunakea@hawaii.gov, or delivered to the above office, on the same deadline.

Motion to Reconsider. A party who believes it appropriate, may file a motion to reconsider using the procedure set out herein. Any Motion for Reconsideration shall not be use to reargue the motion or set out positions of a purely repetitious nature or to present factual or legal grounds that could or should have been presented at the original hearing. AMFAC, Inc. v. Waikiki Beachcomber Inv. Co., 74 Haw. 85, 114 (1992).

The **deadline for submission of any motion to reconsider** this minute order is no later than **5 business** days after the date this Minute Order is filed in the Documents Library. Any **responses to motions to reconsider**, shall be submitted no later that **5 business days** after any motion to reconsider this Minute Order is filed in the Documents Library.

Any Motion to Reconsider shall be considered a non-hearing motion unless otherwise designated by the Hearing Officer.

In the begin of this Contested Case the process for filing submission, motion to

reconsider and responses to motions to reconsider although the Hearing Officer though objections from numerous parties on the process of filing submission has created a pattern that will make the process more sufficient for all parties who is also located on other islands. This shows me that there is a bias on the part of the Hearing Officer to change the process in Minute Order 43 and 44 under filings and this also takes my due process right away.

D. CLARIFICATION ON TIME

On April 18, 2017 Minute Order 43, DOC 553 was upload to the Document Library and the Hearing Officer Riki Amano (Ret) signed the Order on April 19, 2017.

III. CONCLUSION

Base on the facts above this Motion for Reconsideration should be Granted with good cause.
