CLARENCE KUKAUAKAHI CHING'S JOINDER
OF TEMPLE OF LONO MOTION FOR RECONSIDERATION
OF MINUTE ORDER 43 AND MEMORANDUM IN SUPPORT

COMES NOW CLARENCE KUKAUAKAHI CHING (hereinafter "CHING") and files this Joinder to Temple of Lono Motion for Reconsideration of Minute Order 43 and MEMORANDUM IN SUPPORT. CHING agrees that the issuance of a schedule for the preparation of proposed decisions, orders, findings of fact, and conclusions of law, in violation of HAR §13-1-38(a), is premature, because the time "(a)fter all evidence has been taken" has NOT occurred, and the Record is NOT complete.

CHING also agrees that the amount of time provided for parties to prepare the proposed decisions, orders, findings of fact, and conclusions of law is totally inadequate given the number and extent of witness and exhibits. CHING supports a time extension of not less than 90 days to be scheduled after the completion of the record.

The Petitioners who are Pro Se are negatively biased if they must continue to argue over the admission/admissibility of exhibits while simultaneously being required to complete findings of fact, conclusions of law etc.; that are required **after** a complete and final record is attained. No injury will occur by providing all Parties a reasonable period of time, **after** the completion of the entire record, to implement the final portions of this case. CHING submits, however, that to do otherwise, will be an additional violation of due process.
