DWIGHT VICENTE'S MOTION TO RECONSIDER

I, Dwight I. Vicente, move's this Hearing's Officer for a Motion TO RECONSIDER my exhibits Q-1 though Q-20. My exhibits fills in the historical Black Hole from 1778 to 1959. I would like to first remind this Hearings Officer that she is a Japan National, pretending to be a U.S. Citizen, in this Kingdom. There is also a conflict of interest, being that Japan is one the countries that make up the TMT. One needs to remember that all of The Hawaiian Kingdoms Treaties ended in 1897, except for the Reciprocity Treaty with the U.S. was continued in 1894 and again in 1898 not by this Kingdom and is still in effect today. These Crown and Government Lands belong to and under the Jurisdiction of The Hawaiian Kingdom. TIO is not a party to this hearing they have no contract. PUEO is not a Party to this hearing they claim no injury. The UHH is not a party to this hearing, they do not have a valid lease for Mauna Kea, Government Lands. Article 4 Sec. 3 Clause 2 U.S. Constitution is limited to Article 5 of The Northwest Ordinance of 1787. There is no amendment to the U.S. Constitution to include Crown and Government lands. This hearing is based on Article 4 Sec. 3 Clause 2 U.S. Constitution. The Crown and Government lands are called public lands, forestry, Hawaiian Home land and so on to create a false jurisdiction under the U.S. Dept. of Interior to develop as conservation lands and apply their administrative rule. The Reciprocity Treaty of 1875 as amended 1887, does not place this Kingdom and its Crown and Government lands under the jurisdiction of Article 4 Sec. 3 Clause 2. The political question is for this Kingdom alone. There are also Constitutional questions that needs to be heard. In the interest of due process and justice you need to reconsider my exhibits as relevant and material to this case.
