AMENDED MINUTE ORDER NO. 44
(Documentary Evidence)

This Amended Minute Order No. 44 reflects the decisions made in Minute Order No. 51 (Amending Minute Order No. 44 and Granting In Part/Denying In Part Reconsideration of Minute Order No. 44). All changes to the original Minute Order No. 44 are italicized.

PROCESS. At the close of hearing on March 2, 2017, the last day of witness testimonies, a process for moving exhibits and written direct testimonies into evidence was established:

March 9, 2017 Deadline for Motions to move exhibits into evidence.

March 16, 2017 Deadline for responses, oppositions, joinders, etc. to Motions.

The Hearing Officer announced her intention to issue a Minute Order with rulings on March 23, 2017. Notwithstanding such intentions, the volume, extent and complexity of the exhibits, motions and responses necessitated significantly more time than anticipated.

The agencies shall give effect to the rules of privilege recognized by law

* * *

The applicable Hawai'i Administrative Rule is:

The late submissions **were not** reviewed or considered in the rendering of rulings on exhibits. This does not preclude movants from raising issues via motions to reconsider, if appropriate. All motions to reconsider must meet the standards set out in the "Motion to Reconsider" paragraph below.

RULINGS.

The rulings on exhibits moved into evidence *and the rulings arising out of reconsideration ((Minute Order No. 51 (Amending Minute Order No. 44 and Granting In Part/Denying In Part Reconsideration of Minute Order No. 44))* are set out in the spreadsheets identified by moving party and attached hereto. Generally:

- Each and every exhibit appropriately identified by exhibit number has been ruled upon
- Objections to exhibits not moved into evidence were not ruled upon

- Exhibits improperly identified *en masse* were denied; e.g. “All B Series”
- Description of exhibits in the spreadsheets are taken from the motions except as indicated otherwise
- Pre-hearing statements were denied as they are not evidence **except** where movant had no written direct testimony filed in the Documents Library and the movant’s hearing testimony was reflected in his/her pre-hearing statement; in those cases, the Hearing Officer will discern testimony from argument when reviewing the pre-hearing statement received into evidence and determine the application and weight to be given the evidence, if any
- Due to the large number of exhibits, there may be duplicates; these are unintentional
- In some cases, general objections were raised, sometimes followed by objections to specific exhibits; all general objections were considered but are not reflected in the spreadsheets

The rulings on exhibits and receipt of evidence does not imply nor control the weight, if any, to be given to any specific piece of evidence. Parties may still argue that evidence, although received, should be disregarded.

HEARING OFFICER WITNESS WILMA HOLI EXHIBITS. On or about February 14, 2017, Hearing Officer Witness, Wilma Holi, submitted “Witness Wilma H. Holi’s exhibit list and written direct testimony” to the Documents Library; exhibits were attached thereto. She has not moved her exhibits or written direct testimony into evidence.

Ms. Holi is the only Hearing Officer witness to testify during the hearing. She originally moved to be a party but opted to accept the Hearing Officer’s offer to be a Hearing Officer

witness. Ms. Holi resides on Kaua`i and flew to Hilo for almost all of the hearings; her appearance was noted whenever she was present.

In the interest of substantial justice, the Hearing Officer intends to receive Ms. Ho's Written Direct Testimony and her exhibits Z-1-A, Z-1-B, Z-1-C, Z-2, Z-5 and Z-6 into evidence. Exhibits Z-3 and Z-4 will not be received into evidence inasmuch as those exhibits were not submitted to the Documents Library.

This ruling on Ms. Holi's exhibits and receipt of those exhibits into evidence, does not imply nor control the weight, if any, to be given to her exhibits. Parties may still argue that evidence, although received, should be disregarded.

REMAINING HEARING OFFICER WITNESSES. *In addition to Ms. Holi, the following individuals were designated as "Hearing Officer Witnesses" per Minute Order 13, page 5 (Doc. No. 115):*

- *Patricia Ikeda*
- *Moses Kealamakia, Jr.*
- *Ivy McIntosh*
- *Crystal F. West*

The record will reflect that Ms. Ikeda withdrew as a Hearing Officer Witness on August 29, 2016. As to Mr. Kealamakia, Ms. McIntosh and Ms. West, there have been no submissions of any kind, filings or other communications directed to the tribunal and uploaded to the Documents Library, since their requests to be admitted as parties in May 2016.

Those three individuals did not appear at the contested case hearing on Thursday, January 26, 2017 wherein a schedule was set for all remaining witnesses. ((Minute Order 41 (Date to Set Witnesses)). Vol. 31, January 26, 2017, 7:22-8:6. They have not testified and/or submitted exhibits or written direct testimonies. The testimonial portion of the hearing was closed on March 2, 2017. Vol. 44, March 2, 2017, 287:17-19.

The three individuals have not responded to any post-hearing matters including Doc. No. 555, TMT International Observatory, LLCs Motion for Clarification Or, In the Alternative, Reconsideration Re: Minute Order No. 44 [Doc. No. 553]. Therein, TIO seeks to have the Hearing Officer declare that Mr. Kealamakia, Ms. McIntosh and Ms. West have “waived any right to testify at the contested case hearing or to claim that they were deprived of an opportunity to provide their position and information as part of these proceedings.” Doc. No. 555 at page 2. Doc. No. 555 appears to have been served upon the three individuals.

In Doc. No. 555, TIO informs this Hearing Officer that non-party Nelson Ho advised counsel for TIO via email, that Mr. Kealamakia was waiting to testify. Apparently, Mr. Ho copied Mr. Kealamakia, Deborah Ward, Lanny Sinkin, J. Leina`ala Sleightholm and Yuklin Aluli on the email. In Reply, Ms. Sleightholm advised that Ms. West was also waiting to testify. No one working with the tribunal (e.g. AG’s, OCCL or the Hearing Officer) was copied on the emails. There is no further information about communications from or about Mr. Kealamakia or Ms. West.

Doc. No. 556, the University of Hawaii at Hilo’s substantive joinder re TMT International Observatory’s Motion for Clarification or, in the Alternative, Reconsideration Re: Minute Order No. 44 [Doc. No. 553], supports TIOs request to have a determination that Mr. Kealamakia, Ms. McIntosh and Ms. West have waived any opportunity to testify or take any position in this contested case hearing. Doc. No. 556 also appears to have been served upon the aforesaid persons.

There have been no responses from Mr. Kealamakia, Ms. McIntosh or Ms. West, nor any documents uploaded to the Documents Library regarding the TIO motion and UHH substantive

joinder. Accordingly, pursuant to HAR §13-1-32(c)¹ the Hearing Officer finds that to ensure an orderly and just conduct of this contested case hearing, it is necessary to order that Mr. Kealamakia, Ms. McIntosh and Ms. West have waived any right to testify at the contested case hearing or to claim that they were deprived of an opportunity to provide their position and information as part of these proceedings.

NO FURTHER RECONSIDERATION. *All of the amendments to Minute Order No. 44 (Documentary Evidence) arise from the reconsideration process incorporated therein. Therefore, no further reconsideration of this Amended Minute Order No. 44 (Documentary Evidence) is appropriate.*

IT IS SO ORDERED.

DATED: Honolulu, Hawai'i, May 26, 2017.

Judge Riki May Amano (Ret.)
Hearing Officer

¹ HAR §13-1-32(c). *The presiding officer shall have the power to give notice of the hearing, administer oaths, compel attendance of witnesses and the production of documentary evidence, examine witnesses, certify to official acts, issue subpoenas, rule on offers of proof, receive relevant evidence, hold conferences before and during hearings, rule on objections or motions, fix times for submitting documents, briefs, and dispose of other matters that normally and properly arise in the course of a hearing authorized by law that are necessary for the orderly and just conduct of a hearing.*
