COLLUSION TO SKIRT THE LAW

An agreement between two or more to defraud another to obtain something forbidden by law; to make use of the forms and procedure of law to defraud a third person.

MEMORANDUM OF SUPPORT

Several times during this contested case, the words “ the State of Hawaii owns and has title to the summit of Mauna Kea”. To prevent revealing the truth, they created Minute Order 19 to remove the ability to add information

of clarity, claiming that matters regarding land title and ownership were “irrelevant and unnecessary”.

Fraudulent Conversion was raised as well as the statement that the avenue that was being taken by the attorneys for the University of Hawaii, TMT/TIO, and apparently supported by the representative of the Hawaii State Attorney General’s office, was based on the ability of the United States to “Annex a Foreign Country” by the simple use of a Joint Resolution of Congress.

A University of Hawaii law professor was called as a Witness months before his appearance on January 23, 2017. This witness was prevented to TESTIFY UNDER OATH. The Professor would have been able to bring much clarity to this contested case.

The Lands of Mauna Kea are Crown and Government Lands held in Trust and remain in Allodium.
