Subject: [EXTERNAL] Lanny Simpkins representing the Temple of Lono through Frank Nobriga

Aloha Mr Cain,

I am writing to you because I saw in the paper that Lanny Simpkins is representing the Temple of Lono in a legal matter regarding the TMT case. I am the Vice President of the Temple of Lono and Frank Nobriga is no longer a member of the Temple and has no authorization to represent the Temple of Lono in any capacity. He has been removed as a member because he had tried to represent and use the Temple for his personal agenda. Therefore Lanny Simpkins has no authorization to represent the Temple of Lono in this matter. The Temple of Lono does not support the group of Hawaiians who believe Papa and Wakea were the creators of the earth / Hawaiian Islands because these were real people who had genealogy. The Temple of Lono was founded by Kahuna Sam Hoapiliokalani Lono o ka makahiki, the last traditional Kahuna whose teachings come from the ancient priesthood of Lono one of the four branches of Kahuna.

Subject: [EXTERNAL] Fwd: Lanny Sinkin and TMT

Aloha Mr. Cain,

I am President of The Temple of Lono and I am writing to you to let you know that Lanny Sinkin does not represent the Temple of Lono in any matter. The Temple of Lono does not know Lanny Sinkin. The message from Cy Harris, Vice President of the Temple of Lono, provides additional information regarding the Temple's position on TMT. A former member of The Temple of Lono, Frank Nobriga, may be working with Sinkin, but they have no authorization to represent the Temple of Lono. The last traditional Kahuna, Sam Lono, founded the Temple of Lono to share the teachings of Lono. We do not agree with all TMT supporters on Papa & Wakea.

Clive Cabral, President of the Temple o Lono
