**ARCHERY HUNTING IN THE PU'U ANAHULU GAME MANAGEMENT AREA  
ANNOUNCED FOR 2022**

**FOR IMMEDIATE RELEASE**

JAN 25, 2022

The opening of archery hunting in the Pu'u Anahulu Game Management Area (GMA) will begin on Saturday, March 5, 2022, and continue on weekends and State Holidays through Sunday, June 26, 2022. Season length, bag limits, and hunting areas are those established in Title 13, Chapter 123, "Rules Regulating Game Mammal Hunting." The following conditions and restrictions will apply for the hunt.

The daily bag limit will be one pig of either sex, one male sheep (ram), and two goats (any sex) per hunter per day. These are also the season limits for each species.

Hunters will need to obtain 2022 ram and goat tags to legally hunt in this area. Tags may be purchased online at <https://gohunthawaii.ehawaii.gov/public/tags> or at the Pu'u Anahulu Hunter Check Station on the first weekend (March 5-6, 2022) between 5:00 a.m. and 12:00 noon. To schedule an in-person appointment, please call our Kamuela office at (808) 887-6063 or our Hilo office at (808) 974-4221. For in-person scheduled appointments, payments will only be accepted by money order or exact cash. Sheep and goat tag fees will be \$10/tag for residents and \$25/tag for non-residents.

The harvest tags will not be transferable and must be placed through the hind leg of the animal immediately after each kill. Tags purchased online shall be printed, placed into a ziplock bag, and secured to the animal's hind leg using a rubber band. Additional tags for goats, beyond the season limit of 2, can be purchased after a nuisance control permit has been issued to the hunter. To apply for a nuisance control permit, send an email to [kanalu.sproat@hawaii.gov](mailto:kanalu.sproat@hawaii.gov) with the request.

ATVs will be allowed in the area and must remain on designated roads.

Report game law violations or any suspicious activity to the DLNR Division of Conservation and Resources Enforcement at (808) 974-6208 in Hilo. After hours and on weekends and state holidays, calls may be made toll-free to DLNR enforcement at **643-DLNR (643-3567)**. This area may be closed to hunting and other public access at any time due to wildland fire or fire hazards.

Further information may be obtained by contacting the DLNR Division of Forestry and Wildlife Offices in Hilo at (808) 974-4221 or in Kamuela at (808) 887-6063.
