

Application Instructions for the

1. The 2022 Pu‘u Wa‘awa‘a Mauka Archery Ungulate Control Program will run for four weekends beginning September 3 through September 25, 2022. To prevent overcrowded hunting conditions, a public drawing will be held to assign hunters one weekend. Each hunter that is drawn will be permitted to hunt two consecutive days (one weekend) in the Mauka area within Puu Waawaa Hunting Unit F.
2. There will be a bag limit of one (1) typical ram and no limit for goats. Skinning and deboning of game **will** be permitted. For a harvested ram, hunters must keep the head and one hind quarter with genitalia attached and present them at the hunter check station upon checking out.
3. The application is for one (1) hunter, only. If a youth (a hunter under the age of 16) or disabled hunter applies and is selected, they must be accompanied by a hunter assistant who has a current State of Hawaii hunting license on each day of their hunt.
