

GROUP VISITS ON THE TRAIL

Guidance for group use of Nā Ala Hele Trails

Let Us Know Before You Go!

Email us at NaAlaHele.Hawaii@hawaii.gov

Please include:

- Contact person for your group
- Organization name
- Date(s) you plan to visit
- Group size
- Purpose of your visit

Please reach out at least one month in advance.

Why Scheduling Matters

Our trails pass through areas rich in sensitive natural and cultural resources. To protect these places, each trail has an established capacity.

By coordinating your visit and adhering to these capacities, you help us mālama "āina and ala (trails) and protect these places for generations to come.

Coordination also allows us to notify you of any trail closures, schedule maintenance accordingly, and avoid overlapping group visits to help minimize impact.

Group Sizes

- Keep group sizes on the trail small. Group size limit varies by trail.
- For large groups, break up into smaller groups.
- Rotate small groups on the trail.
- Groups that are not on the trail can engage in another learning activity.
- **We're here to help!** Contact us for suggestions on managing your group size and recommended resources.
