If you have suggestions about how the DLNR or the State Historic Preservation Division are fulfilling their legal duties, how burial sites could be better protected, or how the Island Burial Councils could be better supported or improved, your mana‘o is valued. - c. “Review and recommend improvements to the workings of the Island Burial Councils, which are administratively attached to the State Historic Preservation Division, and how to implement them” (HR113);

In light of this kuleana, the burial council is soliciting input and testimony (written and/or oral) from lineal and cultural descendants and other interested persons on the above matters.
