Kapolei, Hawaii 96707

Aloha,

My name is Cynthia Shizuma and I along with my family would like to express our support for the Preservation of the Pali Lanes of Kailua.

I resided in Kailua from 1964- 1987. I currently reside in Kaneohe.

I can still recall one of my first dates being at the Pali Lanes. I often bowled with my friends there. It was a safe place that parents had no qualms of allowing their children to go to.

Today, it is still a family oriented place where different generations can participate in the sport of bowling. It doesn't require a country club membership, a lot of expensive sports equipment (bowling balls are available and shoes can be rented) and the price per game is about 1/4 the cost of a movie ticket!! My family still enjoys going to Pali Lanes.

Preserving the Pali Lanes is a way of preserving a 'Bowling' lifestyle that is enjoyed by Students, Special Olympics groups, Senior groups and Families. Please Kokua in protecting not just Pali Lanes but a way of life!!

Cynthia Shizuma
