Dear Chair Katie Stephens and Members of the Hawai'i Historic Places Review Board:

I am honored and pleased to offer my support to include the Pioneer Mill Co./Lahaina Ice Co. Bookkeeper's House in the Hawai'i Register of Historic Places. After reviewing the nomination, we believe that the Pioneer Mill Co./Lahaina Ice Co. Bookkeeper's House has historical significance and meets Criteria A and C in § 13-198-8 of Hawai'i Administrative Rules for inclusion in the Hawai'i Register. We concur with the Maui County Cultural Resources Commission's findings and support the designation of this historic property.

Listing of the Pioneer Mill Co./Lahaina Ice Co. Bookkeeper's House in the Hawai'i Register of Historic Places will help to preserve the history of Lahaina and let our future take a glimpse into our past.

Sincerely ,
