Dear Chair Stephens,

This letter memorializes the action taken by the Kaua'i Historic Preservation Review Commission at its meeting on **April 20, 2023** concerning the consideration of a historic residence for nomination to the State Register of Historic Places.

The Commission voted to **support** the nomination **with the recommendation that the Applicant research the significance as to which style of architecture the property most represents based on the testimony submitted by the Historic Hawaii Foundation.**

Attached please find for the Board's transmittal the following:

- 1) Director's Report for the Nomination
- 2) Historic Hawaii Foundation Testimony dated April 20, 2023

We hope that the recommendation letter along with the supplemental documents will help to inform the Board's decision on this matter at the May 19, 2023 meeting.

If you have further questions regarding this matter, please contact Marisa Valenciano of my staff at (808) 241-4050.

Sincerely,

Jodi Higuchi Sayegusa
