- Member Harada asks for SHPD to update the website regarding the disposition of the current KNIBC members, a projector and speaker for zoom as well as a shared drive to access documents securely. Adding, the need for clarifying the districts and the member appointments to reflect the geographic areas. Recently he was told he was unable to serve and wanted clarification on his term limits and questioned the burial sites specialist or an internal issue. Regina Hilo clarified it was internal and SHPD was reorganized. The members also shared their concerns regarding the SHPD and its support for KNIBC. Member Harada asks if applications are sent to Kauanoe and is it her decision to review the applications. Certain applications are processed, and some are not. I feel it has not left her desk and certain applications are processed and not. The main applicant I know of Roslyn Cummings applications never made it through processing. Kea Calpito clarified the processing of the applications for SHPD and quorum changes in holding meetings. Harada continues he was told by the Kauai burial sites specialist that I was not confirmed for service as I knew I was a holdover. Regina clarifies, Harada was confirmed by Senate however waiting for the oath of office. Feeling like the burial sites specialists was intentionally not allowing us to meet. Member Lovell emphasizes that we need support to be fully operational, we cannot do it alone. Regina adds that the list of descendants is updated and given to the KNIBC to reach out to them. Calpito also describes the process of SHPD and if more information is needed the applicant can go to the KNIBC for decision to recognize the applicant. At least they have the opportunity to present to KNIBC for recognition. Meetings can be held without unanticipated lack of quorum however no votes with members unable to deliberate on burial items and only can take public testimony. Harada asks if the quorum can be based on the total amount of members and not just the appointed members. Member Lovell asks where the inadvertent list is, we have not met in two years. This month we only have one item. Calpito suggested that a list will be provided in the meantime the council members can provide any questions of lists of inadvertent discoveries that were made directly to them.

Meeting adjourns at 11:40 A.M.
