As part of the State's efforts to limit transmission of the COVID-19 (coronavirus), the Hawai'i State Historic Preservation Division's (SHPD) offices are closed to the public until further notice.

Communications, including formal project submittals, with SHPD must be done electronically.

The SHPD Librarian and GIS Specialist will respond to public requests for digital library and archival materials, and GIS data, on a first come, first served, basis, as staff capacity allows.

To report the inadvertent discovery of a burial site call 808-692-8015.

Please visit the SHPD website for further information and a list of SHPD contacts here:
