Mauna Kea Soil & Water Conservation District

- i. Hawaii State Risk Management Division- SWCD & HACD employees are not covered under the State liability or any other insurance. SWCD & HACD are not State employees and do not receive any payroll or compensation from the State payroll system
- ii. Until HACD obtain insurance coverage not allowed to operate any federal or personal vehicle (still require business insurance to operate during business hours)- need to coordinate with NRCS staff
- iii. Received quote for group insurance \$2,500.00/year not including D&O (directors and officers and injury. To receive quote price all districts and HACD would need to take part
- iv. Michelle will keep us updated
- v. Contacted Lisa Konno from King and Neel she referred me to Sean Spencer
 1. They can create a general liability policy with non-owned auto insurance. The non-owned auto insurance is like additional insurance to the insurance on the vehicle that is being driven. The non-owned auto insurance will kick in when the other insurance has been maxed out. NRCS will still be the responsible party since it is their vehicle and insurance. Auto insurance follows the vehicle.
 2. General liability insurance covers slips and falls for clients that come into the office
- e. Beehive- purchasing liability insurance
- f. NWQI- extending contract

XI. New Business

- a. Beehive liability insurance
 - i. Policy through beehive do not cover all items in the general liability and hired/non-owned vehicle insurance (HNOA). HNOA does not cover damage to the vehicle if employee is at fault.
 - ii. Collision insurance cannot be added to on to an HNOA policy because it has to be added to the vehicle itself.
 1. Physical damage follows the vehicle. The vehicle has to be added to the policy to get the physical damage policy added to the HNOA
 - iii. NRCS language regarding responsibility for vehicle usage:
 1. Partner will report all vehicle accident and traffic violations to NRCS and complete all required documents. Partner will reimburse NRCS for any and all repair to GOV as a result of an accident caused by the partner operator and pay off all traffic violations. Partner will assume responsibility for claims arising from accident caused by partner driver. Partner will be responsible for receiving, processing, and paying tort claims that are submitted due to an accident caused by a partner driver.
