I. GENERAL CONDITIONS

1. This license only authorizes incidental take of the covered species by the licensee on the lands owned or otherwise controlled by Kawaihoa Wind, LLC, on the island of O'ahu, Hawai'i at the time this license is issued pursuant to the "Kawaihoa Wind Power Habitat Conservation Plan" dated October 2011 (hereafter "HCP") as revised by the HCP Amendment dated September 2019.
2. This license is valid only if Kawaihoa Wind, LLC abides by the terms and conditions of the HCP and ITL for the duration of the permit.
3. This license is valid for species protected by federal law only if accompanied by valid federal Incidental Take Permit or Biological Opinion.
4. A legal representative of Kawaihoa Wind, LLC shall acknowledge understanding and agreement to abide by its conditions by signing this license. The signed license must be returned to the Division of Forestry and Wildlife. Upon approval by the Chairperson, a copy of the license will be returned to the applicant.
5. The Board may suspend or revoke this license if the HCP is suspended or revoked. The Board may also suspend or revoke this license in accordance with applicable laws and regulations in force during the term of the license.

II. SPECIAL CONDITIONS

1. The allowable incidental take authorized by this license for the covered species includes observed, unobserved, direct and indirect take as defined in the HCP.
2. The estimation of incidental take for the covered species will be calculated according to adjustments made to the observed direct take according to methods detailed in the HCP, including but not limited to adjustments to include unobserved and indirect take.
3. DLNR will be notified within 3 days of any mortalities, injuries, or disease related to the covered species observed on the property. Injured individuals or carcasses will be handled according to guidelines in the HCP.

Approved by the Board of Land and Natural Resources at its meeting held on February 26, 2021.
