RFQ/RFP CORRECTIONS – Posted August 1, 2014

The following correction is hereby made:

On Attachment 5 – Evaluation Scoring Sheets, Evaluation Score Sheet – Sample RFP Evaluation on page 37, on item 4, column 3 entitled “Weight”, the number “10” is corrected to read “20” and on column 5 entitled “Criteria Weight”, the number “2” is changed to read “4”.

This correction is to address a typographical error in the scoring sheet. The sample weighted score to the right of column 5 remains unchanged at 20. The weight assigned to item 4 on page 27 under “RFP Criteria” remains unchanged as 20.
