April 8, 2016

Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

**Declare Project Exempt From Requirements of Chapter 343, HRS, and
Title 11, Chapter 200, Hawaii Administrative Rules for
Ticket Booth Construction and/or Repairs to Existing Ticket Booths at the
Division of Boating and Ocean Recreation Facilities, Statewide**

Hawaii Administrative Rules Section 13-231-68(a) states that “No person shall erect or place a sign, ticket booth, or any other structure in a state small boat harbor without prior written approval of the department. All such structures shall only be erected or placed within a small boat harbor if they are in conformity with state and county laws and ordinances, and prior approval of all appropriate governing agencies have been obtained.”.

The Division of Boating and Ocean Recreation (DOBOR) is requesting the Board of Land and Natural Resources declare that the construction of new or repairs to existing ticket booths at DOBOR facilities, Statewide, to be exempt from the requirements of Chapter 343.

In accordance with Hawaii Administrative Rule Section 11-200-8(A) and the Exemption List for the Department of Land and Natural Resources (DLNR), Approved by the Environmental Council, on June 5, 2015, this project is exempt from the preparation of an Environmental Assessment (EA) pursuant to the following exemption classes:

Exemption Class 3: Construction and location of single new, small facilities or structures and the alteration and modification of same and installation or new, small, equipment and facilities and the alteration and modification of same including, but not limited to: (A) Single family residences not in conjunction with the building of two or more such units; (B) Multi-unit structures designed for more than four dwelling units if not in conjunction with the building of two or more such structures; (C) Stores, offices and restaurants designed for total occupant load of twenty persons or less, if not in conjunction with the building of two or more such structures; and (D) Water, sewage, electrical, gas, telephone, and other essential public utility service extensions to serve such structures or facilities; and (E) accessory or appurtenant structures including garages, carports, patios, swimming pools, and fences.

Exemption Class No. 6: Construction or placement of minor structures accessory to existing facilities.

RECOMMENDATION

Declare that, after considering the potential effects of the proposed projects as provided by Chapter 343, HRS, and Chapter 11-200, HAR, these ticket booths will probably have minimal or no significant effect on the environment and is, therefore, exempt from the preparation of an environmental assessment.

Respectfully submitted,

EDWARD R. UNDERWOOD
