Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

**Declare Project Exempt From Preparation of Environmental Assessment Requirements of
Chapter 343, HRS, and Title 11, Chapter 200, Hawaii Administrative Rules
for
Job No. F37C614E
Diamond Head State Monument Sewer Lift Station Replacement
Honolulu, Oahu, Hawaii**

The Board of Land & Natural Resources approved the award of the construction contract for the subject project on July 10, 2015. Pursuant to Chapter 343, Hawaii Revised Statutes (HRS), and Chapter 11-200, Hawaii Administrative Rules (HAR), the attached Exemption Notification labeled Exhibit A was prepared.

The project consists of the improvements to the sewer lift station building and replacement of sewer lift station pumps, piping and appurtenances. The lift station building will be renovated. The interior of the wet wall will be rehabilitated and lined with a protective coating.

In accordance with Hawaii Administrative Rule Section 11-200-8(A) and Approved Exemption List for the Department of Land and Natural Resources, dated June 5, 2015, the subject project is exempt from the preparation of an environmental assessment pursuant to Exemption Class 2, that states, "Replacement or reconstruction of existing structure and facilities where the new structure will be located generally on the same site and will have substantially the same purpose, capacity, density, height, and dimensions as the structure replaced."

RECOMMENDATION:

Declare that, after considering the potential effects of the proposed project as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

Respectfully submitted,

CARTY S. CHANG
Chief Engineer

EXEMPTION NOTIFICATION

Regarding the preparation of an environmental assessment pursuant to HRS Chapter 343 and HAR Chapter 11-200

Project Title:	Diamond Head State Monument Sewer Lift Station Replacement
Project Number:	F37C614E
Project Description:	Scope of work consists of the improvements to the sewer lift station building and replacement of sewer lift station pumps, piping and appurtenances. The lift station building will be renovated. The interior of the wet wall will be rehabilitated and lined with a protective coating.
Chapter 343 Trigger (s):	Use of State Funds
Exemption Class & Description:	Department of Land and Natural Resources, Exemption List, June 5, 2015, Exemption Class 2, that states "Replacement or reconstruction of existing structure and facilities where the new structure will be located generally on the same site and will have substantially the same purpose, capacity, density, height, and dimensions as the structure replaced."
Exemption Item Number and Description:	Item No. 11. Replacement or reconstruction of existing sewage and water pumping stations and treatment facilities to maintain established codes and standards, provided that reconstructions that expand the capacity or geographical service area of existing facilities shall not be exempt.
Consulted Parties	Department of Planning & Permitting, City & County of Honolulu DLNR State Historic Preservation Division Diamond Head State Monument Citizens' Advisory Committee
Recommendation:	It is anticipated this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.

Suzanne D. Case, Chairperson
