CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:
In accordance with Hawaii Administrative Rules Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources concurred with by the Environmental Council dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item 43, that states “transfer of management authority over state-owned land, such as setting aside of state lands to or from other agencies through a Governor’s executive order.” See Exhibit B.

APPLICANT REQUIREMENTS:
None

REMARKS:
The subject two parcels identified as Mid Station and North Station, together with the South Station¹, were under General Lease No. 3813 issued to the Federal government that expired in June 2014. Recent site inspection confirmed the two parcels have been restored.

The subject parcels are adjacent to State lands set aside to the City and County of Honolulu under Governor’s Executive Order No. 2464, as Ulehawa Beach Park. Staff believes the highest and best use of the subject parcels is making them an addition to the beach park under an executive order.

Division of Aquatic Resources, Department of Transportation, Highways Division, Office of Hawaiian Affairs, and Department of Facility Maintenance have no objections/comment on the subject request.

Department of Health, Department of Hawaiian Home Lands, State Historic Preservation Division, Department of Planning and Permitting, Department of Parks and Recreation,

¹ South Station site, TMK (1) 8-9-006:088, is not part of this submittal, as it is already encumbered by Governor’s Executive Order 104.
C & C of Honolulu

and Board of Water Supply have no responded to the solicitation for comment at the time of writing this submittal.

There are no other pertinent issues or concerns and staff has no objection to the request.

**RECOMMENDATION:** That the Board, subject to Applicant fulfilling the Applicant Requirements above:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

2. Approve of and recommend to the Governor the issuance of an executive order setting aside the subject lands to the City and County of Honolulu under the terms and conditions cited above, which are by this reference incorporated herein and subject further to the following:

   A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;

   B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;

   C. Review and approval by the Department of the Attorney General; and

   D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Barry Cheung
District Land Agent
